Power-Line Worker Killed, One Burned

STRUCK BY 6,900 VOLTS
ON JOB AT MILLSTONE

One man was killed and another was burned last Thursday while installing power lines at Millstone.

Lindsey B. Ferguson, Jr., 27 of Lethair was electrocuted when he came in contact with high voltage lines at Millstone and Marvin Combs 31 of Scudsy is now a patient in Memorial Hospital at Whitesburg where he is being treated for serious burns.

John Scholtens, assistant district manager at Hazard for the Kentucky Power Company, said the two men came in contact with a guy wire that had been charged with current from a live wire carrying 6,900 volts. Ferguson was killed instantly.

Ferguson is survived by his parents, his wife, Mrs. Claudine Brashear Ferguson, and three small children. His father, a former plant superintendent for the power company at Hazard, now lives in West Virginia.

Funeral services were held at Hazard for Mr. Ferguson on Sunday.

STUDENT PASTOR SERVING PRESBYTERIAN CHURCH

A Student Pastor, Seth Shaver, is serving the Graham Memorial Church during the summer period. Mr. Shaver, a resident of Lithonia, Georgia, received his B.A. degree from the University of Rochester (N.Y.) and is now studying at Columbia Theological Seminary, Decatur, Georgia. In addition to Mr. Shaver, Miss Ann Cox and Miss Elizabeth Calhoun are also working under the direction of the Presbyterian Church during the summer vacation period.

A two-week Vacation Church School has just been completed at the Graham Memorial Church and a Church School is now being conducted at Raymond. A similar Church School program is being prepared for the Sand Lick Area the week of July 8.

A Church Ping-Pong tourney is now underway for the younger folk, and the following are entrants: Remous Day, Jr., Elvin Colwell, Glen Ihrie, James Collins, Jackie Collins, Rocky Davis and Troy Stallard.

Boy Drowns As Car Runs Into River at Partridge

According to information received from State Policeman Parley Widner, a three-year-old boy was drowned Sunday morning after a traffic accident at Partridge. The police said a car driven by his mother, Mrs. Pauline Widner, 20, ran off U.S. Highway 119 and went into the Poor Fork of Cumberland River.

Florida Koonitz, 17, also an occupant of the car was hospitalized in the Benham Hospital and listed as seriously injured. Bystanders pulled the three out of the swollen waters, but the boy had drowned. The boy's father, James Widner also survives.

24-HOUR JAIL SHIFTS STARTED

MADISON, Wis. — Attorney General Vernon Thompson has ruled that a jailer must be present and awake at all times while a prisoner is lodged in a Wisconsin jail — and that a matron must be present and awake when ever a female prisoner is in the jail.

FIELDS REUNION TO BE HELD SUNDAY, JULY 8

The annual Fields reunion is scheduled for Sunday, July 8 1956 at 9:00 A.M. (CST) at the Nolan Picnic Grounds on Pine Mountain. Members and friends of the Fields families are invited to attend. Bring the family and a picnic basket and visit with Kinfolks and friends and have a good time. Lexie H. Potter is chairman and Iva Fields Potter Secretary of the organization.

DR. GORDON M. MEADE APPOINTED CLINICAL DIRECTOR OF M. M. ASSOCIATION

WASHINGTON, D. C. — Dr. Gordon M. Meade has been appointed Clinical Director of the Miners Memorial Hospital Association, it was announced today by Dr. Frederick D. Mott, Medical administrator for the chain of Ten Hospitals serving beneficiaries of the United Mine Workers Welfare and Retirement Fund.

During the last year Dr. Meade has served as clinical consultant with headquarters in Washington D. C. and since January as chief of clinical services at the Williamson Memorial Medical Center, Williamson, West Virginia.

He will succeed Dr. Aims C. McGuinness who, after recruitment and organization of the hospital medical staff, will return to private practice and teaching of Pediatrics in Philadelphia. The newly-opened hospitals were dedicated June 2 at Beckley, West Virginia.

ELECTRIC AND MACHINES PURCHASES INSULL COAL MINING EQUIPMENT

Electric and Machine Supply Company of Whitesburg has bought the mining machinery, including the preparation equipment from the Insull Coal Mining Co., Insull, Kentucky. It was announced by Melvin Adams, who with William P. Conley, owns the E & M Co.

"We will be selling this equipment to operators," said Adams. "No coal will be mined there any longer." Adams is vice president of E&MCS.

Insull mine, once one of the largest in Southeastern Kentucky was bought about a year ago from Southern Mining Co., in which were Knoxvilleans. The number of miners there had been gradually reduced.

JASPER PIGMAN, PATIENT IN LOUISVILLE HOSPITAL

Jasper Pigman is a patient in Baptist Hospital, Louisville where he is reported to be undergoing examination and treatment. Members of the family who have visited with Mr. Pigman are Mrs. Pigman, Mrs. Ercei Frazier, Audra Pigman, Ray Pigman, Dr. J. W. Craft, Harlan, Mr. and Mrs. W. W. Craft, Thornton.

Entire Family Hospitalized After Accident

Mr. and Mrs. Sterling Welch and family, Betty 17, Sterling Jr., 11 yrs. old neighbor, L. J. Bowling all of Jenkins were hospitalized in the Jenkins Hospital on Friday of last week following an automobile accident on U. S. 23 just out of East Jenkins. According to information received from State Police the group were occupants of a '51 Oldsmobile which was hit by a truck and trailer which jackknifed on a curve and completely demolished the Sterling car. The truck was driven by Robert Lee Wilson of Betsy Lane who was uninjured.

INDEPENDENCE DAY

KEEP ALIVE THE HOPES BORN IN THEIR HEARTS 180 YEARS AGO!

Help give this Independence Day the deep spiritual meaning it had for our founders. Make the truths they fought for an active part of your daily thinking and acting.

Republican Meeting Set For Saturday

To all Precinct Chairmen and Chairwomen

There will be a called meeting of all Republican Precinct Chairmen and Chairwomen on Saturday, June 30th, at 2:00 P. M. CST at the Letcher County Court-house in Whitesburg.

At this meeting we will select a campaign chairman and chairwoman, and will discuss the coming November election.

THIS IS AN IMPORTANT MEETING. PLEASE PLAN TO ATTEND. Your County Chairman, Roger C. Kersey.

SEN. EARLE C. CLEMENTS AND CONGRESSMAN CARL D. PERKINS VISITORS IN CITY

Senator Earle C. Clements U.S. Senator and Congressman Carl D. Perkins of Washington, D. C. were in town with Mr. and Mrs. Archie Craft of the Craft, Funeral Home over the weekend.

Senator Clements was speaker at the Craft-Webb and Adams Reunion at Mayking, Kentucky on Sunday. On Saturday night Mr. and Mrs. Craft entertained their distinguished visitors with a fried chicken supper at the V. F. W. Club. There were seventy-five guests who enjoyed the delicious supper prepared by the Ladies Auxiliary of the V. F. W. Post and had the pleasure of meeting and talking with our U.S. Senator and Congressman. After the supper there was no program or speaking, but a pleasant social hour of visiting and talking together was enjoyed by all.

Other visitors in the Craft home for the weekend were Dr. and Mrs. C. B. Craft and children Cecilia and Cheri, Cumberland Dr. J. W. Craft, Harlan, Mr. and Mrs. W. W. Craft, Thornton.

BECKLEY, WEST, VA. BOY IS MARLBLES CHAMP

ASSURRY PARK, N. J. (AP)—A trip to the West Indies, a bicycle and TV appearances await 12-year-old Fred Brown of Beckley W. Va., the new national marbles champion.

Fred won the title Friday with the help of seven rabbits' feet strapped to his belt.

He made a comeback stand against a neighborhood rival, Dennis Kyle, 12, of Richmond, W. Va., in the 21-game final match.

When it was all over, Fred announced his conviction: "My rabbits' feet what did it!"

SHARON HEIGHTS HOSPITAL RECEIVES DONATION FROM FORD FOUNDATION

Sharon Heights Hospital, Jenkins, Kentucky, announced today it had received a check for \$9150.00 from the Ford Foundation, one-half of its share of the Foundation's \$200,000,000 grant program to assist the nation's 3500 voluntary, non-profit hospitals to improve and extend their services. The balance of the gift is expected to be paid next year.

Sister M. Immaculate Heart, Administrator of Sharon Heights Hospital, Jenkins, Kentucky, said that in making formal application for the grant, she had informed the Foundation that the money would be used for modernization of the hospital facilities. The remodeling of X-Ray room and complete new X-Ray equipment has already been completed and installed in the X-Ray department.

We are indeed most grateful to the Ford Foundation for this wonderful gift.

ATTEND FUNERAL IN RICHMOND LAST SUNDAY

Mr. M. L. Webb and Dr. and Mrs. Ralph Gambrel were in Richmond, Kentucky on Sunday where they attended funeral services for Dr. H. C. Pope who passed away suddenly while in his office at Pope Hospital.

Dr. Pope was the father of Dr. Mason Pope practicing physician of Richmond. Mrs. Mason Pope is the daughter of Mr. and Mrs. M. L. Webb of Mayking and sister of Mrs. Ralph Gambrel.

GOLD STAR MOTHER'S TEA

The Ladies Auxiliary to the V. F. W. Post 5829 will have their annual Gold Star Mother's Tea Sunday, July 1st at 2 o'clock. CST. The tea will be at the Post Clubhouse and we urge all Gold Star Mothers to attend.

CLEMENTS, FOE GIVE SPEECHES AT REUNION

MEMBERS OF 3 PIONEER FAMILIES GET TOGETHER AT MAYKING

Senator Earle C. Clements and his Republican opponent in this year's senatorial election, Thurston B. Morton, both appeared Sunday at the annual reunion of three Eastern Kentucky families.

More than 1,000 persons turned out despite an overcast sky for the gathering at the Webb Cemetery at nearby Mayking. Almost all of them were members of the Adams, Craft, and Webb families. They came from some 40 Kentucky and Virginia counties and 11 states, as far away as Oklahoma.

Speaks on Water Power

Clements spoke on the possibilities of water power in the Big Sandy area and about the area's coal industry, which he predicted would boom for many years.

Morton limited his speech to remarks about the reunion, noting that he was related to the Adams family.

Also present were Judge Aster Hogg of the Kentucky Court of Appeals; Edwin Denney, former Republican candidate for governor; Representative Carl Perkins of the Seventh District; Scott Craft, Prestonsburg, the Republican nominee for Perkins' seat, and former Representative Bill Adams, Blackey.

HIGHWAY-FATALITY TOLL INCREASES ONE TO 323

FRANKFORT, Ky.—Kentucky's 1956 highway-fatality toll rose to 323 with one death occurring today, State police reported. The total by this date last year was 351. Today's traffic victim was identified by police as Mrs. Hattie Lee Daniel, 53, of Yancy, Harlan County, killed in an accident on U. S. 25 near Livingston in Rockcastle County.

DR. C. L. MORIN RETURNS TO SHARON HEIGHTS HOSPITAL

C. L. Morin, M.D. has returned to Sharon Heights Hospital, Jenkins, Kentucky, to resume his former position as Chief of Staff and Chief of Department of Surgery. During his three years leave of absence, he has been associated with the Bronx and Bellevue Hospitals, of New York City, in the department of surgery.

WHITESBURG B&W MEMBERS ATTEND CHARTER DINNER AT HARLAN

On Saturday Night, June 23, nine members from the Whitesburg Business and Professional Women's Club attended the Charter Dinner at the Lewallen Hotel in Harlan for the newly organized Harlan Business and Professional Women's Club. This club has seventy-seven charter members.

Mrs. Betty Durrett, Frankfort, President of Ky. Federation of B&P.W. gave the address. Miss Alma Black, Corbin, Past State Pres. of the Ky. Federation in charge of installing new officers. Mrs. Helen Younce, Loyall, is president of this new club. Those attending from Whitesburg were Sybil Dawahare, Betty Jo Little, Claudia Ware Adams, Bonnie Combs, Roberta Halcumb, Ruth Rice, Patsy Ann Fields, Edline Salyer and Rudell Fields.

WESTERN UNION TELEGRAM WASHINGTON, D. C. June 27 Editor, Mountain Eagle Whitesburg, Ky.

The Conference report including \$1,000,000 of Construction Funds for the Buckhorn Reservoir was unanimously approved by the House today. It has already been approved by the Senate.

CARL D. PERKINS, M. C.

Father of Mrs. E. H. Barnette Dies in Pennsylvania

J. C. Burns, father of Mrs. E.H. Barnette, passed away at the home of his daughter in Meadeville, Ohio on Saturday. Burial took place at Kinsman, Ohio on Monday.

Mr. Burns, 87 years, had spent several winters in Whitesburg at the home of Rev. and Mrs. E. H. Barnette, and had made many friends here who regret to hear of his passing. He had only left home in April going to Pennsylvania to spend the summer with another daughter. He suffered injuries in a fall several days ago which along with complication resulted in his death.

Mrs. Barnette and daughter, Mrs. Jacob Du Puy and Mr. Du Puy who have been in Pennsylvania for the past two weeks are expected home Saturday. The entire community extends sympathy to Mrs. Barnette and her family.

ATTENDING 4-H CLUB CAMP

Jeannie and Jerry Nolan are attending 4-H Club Camp at Quicksand this week. Mr. and Mrs. Nolan expect to join them on Thursday Night for a Camp Fire Supper.

John Reese Collins Fatally Stabbed

John Reese Collins of Isom, Kentucky was fatally stabbed in Perry County Saturday Night, June 23, 1956 and died at the Mount Mary Hospital, Hazards, Kentucky a short time later. He was the son of John and Leatha Adams Collins of Isom, Kentucky and was born on October 14, 1929 being 26 years, eight mos., and nine days of age at his death.

He was married to Rosa Lee Sexton and is survived by his wife, his parents and the following brothers and sisters: Raymond, Ralph, Richard, and Opal of Isom, Kentucky and a host of relatives and friends. Reese was a fine looking young man who made friends easily and was liked by all who knew him. His sudden and tragic death has been a sad shock to his family and loved ones.

Funeral services were held at the residence of his father, John Collins on Tuesday, June 26, 1956, at 10:00 o'clock a.m. with Rev. Scott of Cumberland, Kentucky, Roy Collins, and Denver Tolliver, officiating. Burial was in the Family cemetery at Isom, Kentucky. Craft Funeral Home was in charge of the last rites. Perry county sheriff, Bill Corneet reported Charles Whitley, Knott County, was in Perry County jail charged with the fatal stabbing of Collins. The sheriff said Whitley was arrested at Defeated Creek, Saturday night shortly after the stabbing in front of a roadside tavern at Vico.

BRADSHAW JEWELRY, HARVEY'S NEWS STAND, MORGAN SHOE SHOP, FIELDS WALLPAPER STORE, DAMAGED

A fire of undetermined origin broke out last night around 10:00 o'clock in the old Southern Hotel Building now owned by Willie Lucas. The inside of the building, which housed Bradshaw Jewelry Store Harvey's News Stand, Morgan Shoe Shop, and Fields Wallpaper Store was practically destroyed by fire and water. The living quarters of the Spence family on the second floor was completely destroyed. The fire had gained considerably headway when the fire department arrived but through their heroic efforts assisted by the Neon-Fleming Fire Department the other buildings were saved.

According to information received from Mr. Lucas, owner of the building, the damage will probably reach approximately \$20,000. The roof of Kermit's Super Market owned and operated by Kermit Combs was heavily damaged and he also reports a loss of stock due to water.

CAR STOLEN ON MAIN STREET TUESDAY

Carl Hays Morgan of Perry County, James C. Summers of Cincinnati and Levinia Sexton are being held in the Whitesburg jail following their arrest at Vico Wednesday morning. The group is charged with stealing a 1955 Buick on Tuesday afternoon belonging to T. C. Hicks, Salesman for Barr's Sporting Goods, Bristol, Virginia. Mr. Hicks was making a business call and returning to where he had parked his car in front of the Buick when he found it missing. Following investigation the car was seized at Vico by State Police and returned to Whitesburg to the owner. Deputy Sheriff and Chief Police Burl Combs returned the trio to Whitesburg to await action of the next grand jury—according to information received from the deputy sheriff they are also charged with the theft of a car at Newport, Kentucky.

Patient In Memorial Hospital

Henry Deal is a patient in Whitesburg Memorial Hospital where he is undergoing treatment.

Forrest Carl Brown is visiting in Lexington this week as guest of Mr. and Mrs. Carl Holbrook and sons, Randolph and Tommy.

Mr. and Mrs. Bruce Banks, Sandy and Patty have returned from a visit in Detroit.

WHITESBURG "EYESORES" GRADUALLY DISAPPEARING

While meandering down the Main Street of Whitesburg recently, we chanced to stop by the old Kentucky Theatre "Sooter" . . . There we found our good friend, Cossie Quillen, "Sooter" his son, and other workmen repairing the building which Mr. Quillen recently purchased. In the course of conversation, Mr. Quillen explained his plans, all of which seemed to be excellent ideas. We were amazed at Cossie's Awareness of things on Main Street . . . He explained the gradual disappearance of "eyesores" that formerly plagued our community: Just across the street, he said was once an old dilapidated building that had been an eyesore for many years, now stands in the same location a modern A&P Super Market; farther up the street, he continued, was once an old stagnant "Frog Pond", now the site of a new modern department store, Craft's; still further on and now under construction on the site of the late Jim Frazier property, is now being erected a new modern service station, being erected by the Standard Oil Company; The Lions Club, he continued, is planning on erasing still another eyesore at the end of the bridge near the LAN Depot by building a recreation center. These, along with many other improvements should make every citizen feel proud of our community. Some of the other improvements include a new modern Ford Garage being built by the Harlow Motor Company, also improvement on the local football field where a new fence is being planned.

Yes, even a blind man can see that eyesores are gradually being eradicated, that we as a community are constantly striving toward greater goals. Let's hope there will be no end of progress here as well as in other communities throughout the county—that visitors will feel welcome and want to come to our community to live and educate their children. "Make the best better" is always a good slogan.

ACCIDENTS CONTINUE TO TAKE LIVES

A grim reality we all must face squarely when we enter an automobile for a ride: Will we be able to reach our destination and return home safely? A few days ago we were held up for several hours when a huge transport truck overturned and blocked traffic between Jackson and Hazard, one man was taken to the hospital, another was injured, the third was badly shaken. A speeding truck on the wrong side of the road was reported as being the cause of the accident.

Between Vico and Sassafras another huge truck overturned last week blocking the traffic for a few hours. The truck loaded with dairy products was destroyed or badly damaged, the driver was badly shaken up, but not seriously injured. A pool of water by the edge of the road was said to have caused the wreck.

An excellent lady, Mrs. Kyle Whitehead, was killed last week near Middlesboro, when she was thrown from a car after it hit a muddy or wet spot and got out of control.

A highway employee, Mr. Sherman Atkins, was killed a few days ago when the truck he was driving collided with a coal truck at Sawdust Junction, cause reported as improper turn by one of the drivers. A truck loaded with cattle also overturned near the same location—cause, muddy side-road.

A short time ago we witnessed an accident, below Vico, a speeding car passed, was unable to make a curve, car overturned, one man thrown clear of wreck and badly injured was taken to hospital, two other young men were pinned underneath car, but luckily not seriously injured. Speed while intoxicated was thought to have been the cause.

Recently a brother-in-law of Mrs. Nolan was killed in head-on collision in Hamilton, Ohio; Our advertising solicitor, Rev. Hatfield, also lost a brother-in-law in West Virginia in a wreck.

We could go on and on mentioning any number of accidents. One state policeman told us he was called to nine accidents in one day recently, that three or more were reported every day.

We just wonder and wonder if and when there will ever be a solution to these accidents. We wish we knew the answer. We believe an improved highway system would alleviate the traffic situation and save countless lives.

Now that the Fourth of July is almost here, we are reminded that another great slaughter will most surely take place throughout the nation, and will claim several hundred lives. What can we do? What can we say? All we know to recommend is either stay at home or drive as safely as possible. Try to be alive on the Fifth!

POST HASTE

A professor at an Eastern university driving to the West Coast had been invited to stop enroute at the homes of several of his former students. A methodical gentleman who prided himself on efficiency, he wrote all his thank-you notes beforehand. He sealed, addressed and stamped the letters, banded them up with a rubber band and put them in his bag.

His first stop was in Buffalo. The following night, unpacking in a hotel room about 300 miles farther west, he discovered the thank-you notes were missing. Telephoning his Buffalo host, he asked with a studied casualness, "Did you by any chance find a bundle of letters in the guest room?"

"Why, yes," said his friend, "I mailed them for you this morning."

BIBLE QUIZ

—by A. F. Barker—

THE FALL OF MAN

Q. When where and how was the sentence of death passed upon the human race?
A. Said God of Adam, "Of every tree of the garden thou mayest freely eat: But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day thou eatest thereof thou shalt surely die."

Q. What was the first he ever told in the Bible and who told it?
A. Satan. "For ye shall not surely die: for God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods knowing good and evil." (Gen. 3:4-5)

Q. When Adam and Eve ate of the forbidden fruit what evidence do we have of their guilt?
A. "Hid themselves from the presence of the Lord God amongst the trees." (Gen. 3:8)

Q. Since God's holy commandment was transgressed and death was passed upon all, what second opportunity was given to man to live forever?
A. "For God so loved the world that He gave His only begotten Son, that whosoever believeth on Him should not perish but have eternal life."

Q. How did God accomplish His purpose?
A. Through the birth of Jesus Christ. "In the beginning was the Word, and the Word was with God, and the Word was made flesh, and dwelt among us." (John 1:1-14)

Q. What was the greatest event of all the ages?
A. The resurrection of Jesus Christ. "For He must reign, till he has put all enemies under his feet. The last enemy that shall be destroyed is death." I Corinthians 15: 26-27

Q. What does the resurrection prove?
A. His power over death and the grave. "Because I live ye shall live also." (John 14:19)

Nine Kentucky counties in 1955 tested over 3,000 soil samples each. Shelby county was first, with 5,081 samples, and the others, in order, were Fleming, Barren, Mason, Hardin, Hickman, Mercer, Lincoln, and Marion.

SOME UNCERTAINTIES MARK BUSINESS FRONT

Some uncertainties appear in the general business picture for the next few months, says the Department of Agricultural Economics of the University of Kentucky.

Whether or not there will be a strike in the steel industry, and the extent of the wage and price increase which will follow, are the principal questions, the department. Uncertainty also has been created by the failure of any spring upturn in auto sales, despite the fact total industrial employment rose to new record

levels in April.

Cash living costs of Kentucky farmers may have risen in recent months compared with income of non-agriculture persons. Some rise in total cost of living appears to be in the cards in the near future, the department says.

Prices of the medium grades (commercial, good and choice) of cattle are expected to remain at about present levels through June, especially if the strong demand for feeders continues. Hog prices through June are expected to continue to increase at a moderate rate. Slightly higher prices for fluid milk and steady

prices for butterfat appear in prospect another 30 days. Spring lamb prices are expected to remain at about present levels to July 1, followed by some seasonal decline.

Some Kentucky banks have purchased bags to give farmers

for delivering soil samples to the county agent's office.

Cool, fresh cotton seersucker bed spreads make a nice change for the summer season; they are easily washed and require little or no ironing.

FRIENDS AND NEIGHBORS:

If I needed something to eat, you my neighbors would gladly share. I have been fortunate so far and can provide. However, I DO NEED YOUR VOTE.

Friends, I am your Neighbor; I was born and reared around Bull Creek in Floyd County, my father, the late Ben Craft, was a small farmer and merchant. He also was a minister of the United Baptist Church, for over 40 years. He was born at Mayking, Ky., on what is now known as the Johnny Morgan farm, lately known as the Golf Course.

A FRIEND TO LABOR:

I am intelligent enough to know I need help from labor to win, I came up the hard way and know your lot. I feel it's possible for our section to procure more industry. I know where to find interested industries that would come with help from the Federal government.

COAL INDUSTRY:

We have a commission set up to study atomic research. Why not a commission to find a use for coal to replace the lost market as fuel. There is another need. There are too many camps that are vacant that should be re-filled. Take the boards off the windows.

I taught school, coached, worked as a laborer, farmed and worked at many other jobs to pay my way through school. I am 44 years of age and have never called on my neighbors before for their support in an election. I need your support now.

My father always said, "Son, if you can't say something nice about people, don't say anything." This is the way I will conduct my campaign.

Kentucky ranks last in these Eastern states in prosperity. Our Eastern section pulls Kentucky's average down. Why?

We sacrifice to send our children to school and then what do we have to offer them in employment.

STUDENTS ASK QUESTIONS
ON MONEY AND JOBS

How much money do I need? Can I get a part-time job? Will I be able to borrow money for my college education?

These questions, and many others are answered in a leaflet just published by the University of Kentucky for prospective students throughout the state.

Some of the most frequently asked questions and their answers are:

1. How much money should I have at the opening of school? The average student should have his semester fees (\$65 plus the cost of room and board (\$230-245 per semester) and about \$50 additional for books, supplies and incidentals. Men students enrolled in ROTC will need to make a \$25 uniform deposit, refundable at the end of the year.

2. Are there opportunities for students to secure part-time employment? A large number of students at UK earn at least part of their expenses either through part-time jobs on the campus or in local business houses.

3. How do I apply for a part-time job? Men students should contact the YMCA, Student Union Building. Women students should see or write to the Dean of Women.

4. Is there a student loan fund? Loans are available to students who have made a good college record both in classes and as members of the student body. Application for a loan is made through the Student Loan Fund Committee.

5. Are scholarships available? A limited number of scholarships are available to entering freshmen. Financial assistance is made available in so far as possible to worthy students through scholarships. In cases aid in the form of scholarships is limited to students enrolled in a particular college or department.

6. What are the requirements for admission? An applicant must have graduated from an accredited high school and have a minimum of 15 units of acceptable high school work. To apply for admission, write to the University Registrar and ask for necessary application forms. Most Kentucky high school principals have these application forms on hand.

KENTUCKY STATE FAIR
SCHEDULED

The 1956 Kentucky State Fair September 7-15, will be the biggest event of its kind ever held in this part of the country. J. Dan Baldwin, fair manager, said here this week.

One out of every six Kentuckians are expected to attend the history making fair, opening event of the state's new \$18,000,000 Fair and Exposition Center. The Center is the largest project of its kind in the world. It is located southeast of downtown Louisville.

Premiums to be awarded will equal last year's whopping \$134,000.

The Livestock Pavilion will occupy the west wing of the 1,750 front main building. There are ties for 1,032 dairy cattle and 815 beef cattle. There is also a show area with permanent seating arrangements for 500 spectators. Offices, wash racks isolation space, veterinarians' office, exhibitors' rooms for men and women, lounges, lockers, and feed and bedding space have also been provided in the Livestock Pavilion.

In the nearby sheep and swine building there are 158 sheep and goat pens and 376 swine pens. This building has two more show arenas.

The College of Agriculture, home economics, 4-H, F.F.A., plants and flowers and women's departments will be housed in the five-acre Exposition (east wing) of the main building.

Field crops, horticultural and tobacco, vocational education, and poultry departments will be located on the second floor of the huge stadium, next-door to the main building. There are 56 mule stalls and pens under the stadium.

Requests for premium lists should be addressed to: Supervisor Entries, Kentucky State Fair, Louisville, Kentucky.

Panels for Navy buildings in Antarctica are made like sandwiches; inside aluminum vapor barrier and fire protection plywood, spun glass for insulation and more plywood.

Marriage Licenses

Denny Smith, 26, Whitesburg Kentucky, Shirley Trent, 19, Whitesburg, Kentucky.

Fishing Report

Stream fishing has taken first place over the lakes this week in the production of fish, the Department of Fish and Wildlife Resources says in its mid-week fishing roundup.

Most of the streams and rivers are in ideal fishing condition and reports from these areas indicate that bass fishing as well as the catch of pan fish and rough fish is good. Casting for bass is particularly good in the streams and the early morning surface lure is the best weapon.

Bass fishing in Kentucky Lake also has improved and many good catches have been reported from there. The crappie catch is off with the limited catches being made in the deep water. The catfish fisherman is having wonderful luck, especially in the Eggers Ferry Bridge area. Below the dam the stripper catch is fair. The water temperature is 78 degrees clear and falling slightly.

Bluegill still is best all Dale Hollow, although the jump fishing season is near at hand. Although some nice catches of white bass have been made in this lake, while the catch of black bass by casting has declined. Bluegill catches are few.

The water has reached 75 degrees, is clear and falling slightly.

Lake Cumberland's best bet is bluegill which are being taken by fly fishing and still fishing in the morning. Crappie would rate No. 2 while the bass catch is slow by casting and fly fishing. A good many catfish are being caught, while the pike catch, by trolling, is fair. The temperature is 75, the water is clear and about stable.

At Herrington black and white bass are being taken in fair numbers. The blacks are caught by fly fishing and casting in the early morning, while the whites are being taken in the jumps and some on minnows off the points. Bluegill catches are fair. The water is at 75 degrees, clear and falling slightly.

Bass fishing at Dewey Lake is fair late in the afternoon off

the shallow banks by fly fishing and casting. Crappie catches are off a bit, but a good many bluegill are being taken. The temperature is 73, the lake clear and stable.

Farm Motors Can
Last Thirty Years

With care, some motors used on farms will last for 25 to 30 years—but let precautions and maintenance go, and the operator has trouble, say University of Kentucky Extension Service agricultural engineers.

Here are a few tips designed to prolong life of farm motors: (1) Be sure the motor is lubricated properly; without that, motors develop friction among moving parts, wear out faster. (2) Protect motors from dust. When dust gets inside motors,

it clogs starting mechanisms, damages motor winding, makes oil sticky and worthless.

(3) Keep water away from electric motors. The less moisture such motors encounter, the longer they last.

(4) Check excessive vibration by tightening mounting bolts, and be sure the motor is properly aligned.

(5) Don't overload your motor; it will try to run as long as the current is on. Match the motor to the load required by it and protect the motor by built-in thermal relays.

(6) Check the motor when noises develop. A noisy motor means something is wrong, so check working parts when disturbance is noted.

(7) Use a check-chart for proper maintenance. This means a set of printed instructions will be your guide for checkups.

Industry Zeal
For Kentucky
On An Incline

Interest of our state manufacturers in locating new plants in Kentucky communities has picked up sharply in recent months, a spokesman for the State Agricultural & Industrial Development Board said today.

George W. Hubley, Jr., director, said at a meeting of the Board that 48 companies, representing 10 types of industries, are "prospecting" for sites in various sections of the State. He said their plans, taken as a whole, involve 27,300 new jobs, annual payrolls of \$98 million and plant investments of more than \$172 million.

Biggest of the companies the A&I Board staff is currently working with are 16 firms planning production of primary metals, machinery and equipment,

Hubley said. Their combined employment would be about 21,000, with plant investments estimated at \$107 million.

Hubley said another 16 of the "active prospects" are manufacturers of chemicals, paper and paper products. Other industries on the list include apparel and textile, agricultural processing, cement, glass and fabricated metal products.

Veterans News

Hereafter the Veterans Administration Regional Office in Louisville will handle all new

death claims from widows and children of deceased Kentucky veterans for government life insurance, compensation and pension, accrued benefits and

burial allowances. Ray R. Adams, Manager of the Regional Office, announced recently. These claims have been handled by a VA District Office in

Philadelphia. The decentralization of the claims to the Louisville Regional Office will provide beneficiaries of deceased Kentucky veterans one-stop VA service such as is now available to living veterans. The VA stated the decentralization eventually will result in a more economical operation.

Adams stressed that the decentralization applies only to new death claims and does not include those cases in which the VA already is paying benefits.

PRACTICAL NURSE SCHOOL

TO OPEN FOR THIRD YEAR AT KENTUCKY STATE HOSPITAL, DANVILLE, KENTUCKY

Kentucky's only school of practical nursing operated in a State hospital and financed by the State will open its third class in September, 1956, according to Miss Evelyn L. White, Director of Nurses, at Kentucky State Hospital on Shakerstown road near Danville, Ky.

The class is open to both male and female students who have had one year of High School. The course consists of a one-year training school for practical nurses. At the completion of this course the student is eligible to take the examination and become a licensed practical nurse as set up by the Kentucky State Board of Nursing Education and Registration.

The school provides free tuition, living quarters and meals, text books and laundry service. A resident house mother is in the nurses' home for guidance and counseling.

The practical nurse school is under the direction of Mrs. Virginia S. Towles, Director of Education, assisted by Miss Frances M. Edwards, Instructor.

Should you be interested in taking this training, will you please contact the School of Practical Nursing, Kentucky State Hospital, for a bulletin and further information regarding the program.

V. F. W. NEWS

The Regular meeting of the Whitesburg V. F. W. Post No. 829 held their regular meeting at the Post Home, Monday, June 25, with Commander Kile Campbell calling the meeting to order. Plans for delegates attending the Department Encampment were completed.

The 36th Annual Encampment of the Department of Kentucky, Veterans of Foreign Wars, will be held in Louisville, June 29th, 30th and July 1st, all meetings being held in the Seelbach Hotel, VFW Headquarters. The Encampment will open Friday morning with a joint meeting of the V.F.W. and Auxiliary, followed by a Council of Administration Meeting. Friday afternoon and Saturday morning the V.F.W. and Auxiliary will hold their separate business sessions. Saturday afternoon will be contest time between the various Drill teams and Color Guards throughout the Department. Whitesburg will enter their Color Guard in this contest. A Parade from Brook and Broadway to Ninth Street will consist of Jets from the Air National Guard, Bands, Drill Teams, Color Guards, Drum and Bugle Corps, and Flats from each of the 14 districts in the department. District Commander, Ullis Hunsucker, and the 14th District will lead the parade as they are leading the Department in membership.

Whitesburg will enter their Color Guard in this contest. A Parade from Brook and Broadway to Ninth Street will consist of Jets from the Air National Guard, Bands, Drill Teams, Color Guards, Drum and Bugle Corps, and Flats from each of the 14 districts in the department. District Commander, Ullis Hunsucker, and the 14th District will lead the parade as they are leading the Department in membership.

RUTH RICE IS INSTALLED AS BAPW PRESIDENT

On Monday Night, Ruth Rice was installed as President of the Whitesburg Business and Professional Woman's Club. Mrs. Rice succeeds Miss Bonnie Combs, who, as President, has led her club through a great club year. Miss Patsy Ann Fields, Director of District Eight, was in charge of Installation Services.

Other officers along with Mrs. Rice were Roberta Halcomb, First Vice President, Rachel Ann Moore, Second Vice President, Glendora Fields, Recording Secretary, Jeannette Wampler, Corresponding Secretary and Rudell Fields, Treasurer.

Members of the club are proud to have Mrs. Rice as its new leader, she is well qualified, and we are sure she will steer the club straight forward through its theme, "Kentucky's Pattern for Leadership".

At the close of the services, Miss Patsy Fields presented the outgoing president with an emblem pin with the past president's scroll attached, a gift from members of the club.

Four new members were enrolled—Miss Georgia Alderman, Dietician, Eleanor Willbanks, Laboratory Technician, Norma Jean Polly, Secretary, Helen B. Brock, Hospital Librarian and Judith Zolot, Director of Nurses, all employees of the Whitesburg Memorial Hospital.

LONESOME PINE COUNCIL SCOUT CAMP ENJOYS SUCCESSFUL SEASON

The largest attendance since Shawnee Scout Camp, sponsored by the Lonesome Pine Council, was constructed in 1952. It is in prospect for this Summer's season as one hundred and twenty six Scouts enrolled for the current week beginning June 24.

The Camp is scheduled to operate during four additional weeks of the Summer. Greatly improved camp facilities are being enjoyed by the Scouts. New construction includes improved facilities for the swimming area with diving boards and piers constructed in the swimming area. The Aquatics Program is under the direction of Robert Stagg of Pikeville, a graduate of the Boy Scout National Aquatic School and now serving his fifth year as a member of the Camp Staff. Stagg is assisted by Glen Anderson of Hayti, Va., and Butch Wood of Pikeville, Ky.

Another new feature of the program this year is Archery instruction and an opportunity to earn the Archery merit badge. The program is directed by Ray Wilder of Pennington Gap, Va. Greatly improved facilities for the Recreation Program are also enjoyed by Scouts. These include a soft ball field, volleyball, and basketball.

As in previous years much emphasis is given to Scoutcraft and Outdoor camping skills. The Scoutcraft program is under the direction of Jesse Elliott of Patsy Layne who has a background of twenty five years experience in Scouting. Jesse is assisted by J. R. Griffith of Paintsville and Jimmy Ray of Pennington Gap, Va. Another program, greatly enjoyed by Scouts is Handicraft, which includes basketry, leatherwork, metal work, and Indian Lore. Handicraft is directed by S. C. Reed, Jr., of

Man works from sun to sun, but SAVINGS BONDS work for you 24 hours a day. Give them a chance to make your future more secure.

Friend of Pikeville

Pikeville assisted by Stevie Pikeville. A program activity at Scout Camp which adds a great deal to the Camping standards is the "Order of the Arrow", an honorary camping society to which 10 percent of its members are elected by their fellow members. Scouts are "tapped" out in a very colorful Campfire program held each Thursday evening which is open to visitors.

Butch Wood is Lodge Chief this year Clifford Judd, District Executive, is Advisor in the Order of the Arrow program. Jim Owens, District Executive for the Jenny Wiley District, is serving as Assistant Camp Director.

A Semi-Annual Council Meeting was scheduled today at the Shawnee Scout Camp. All Council Members and Scout leaders are invited to attend.

The Camping and Activities Committee with Virgil Picklesimer of Whitesburg, as Chairman, and the Health and Safety Committee with J. H. Mosgrove of Pikeville, as Chairman will hold a meeting at 12:00 Noon and make an official inspection of the Camp. The Council Finance Committee with B. F. Reed of Drift as Chairman, the Leadership Training Committee with Chalmers Frazier of Prestonsburg as Chairman, and the Advancement Committee with Rev. Jasper Dixon of Pennington Gap, Va. as Chairman will meet at 4 P. M. The Organization and Extension Committee with Charlie Johnson of Hazard as Chairman will be held in the Dining Hall at 6:30 P. M.

The Semi-Annual Council meeting will be held immediately following dinner.

Coy Holstein and daughters, Barbara and Elana Kay enjoyed a fishing trip at Cherokee recently. Coy reports that the daughters are better fishermen than he, Barbara pulling in a big 3 pound bass and Elana Kay getting more than both he and Barbara together.

WHITESBURG JUNIOR HOMEMAKERS

One of the most delightful meetings of this year for the Whitesburg, Jr. Homemakers, was held on Monday night, June 18, at the home of Mrs. W. L. Stallard, Jr. There were 26 members and guests present to enjoy the delicious pot-luck supper on the terrace. Next came the interesting lesson on making straw bags, which was supervised by Roberta Halcomb; the associate agent, Imogene Lewis; and Florine Smith and Bonnie Griffie. All bags were lovely in various sizes and designs.

Before adjourning, a watermelon feast was enjoyed by all. Those present were: Mrs. Paul Pizman, Mrs. Jack Swisher, Mrs. Sam Collins, Jr., Mrs. Bill Kincaid, Mrs. David Fields, Mrs. Audra Pizman, Mrs. Allan Judd, Mrs. Lester Hall, Mrs. Walter Owens, Mrs. Woodford Blair, Mrs. Ray Fannin, Mrs. Jack Cox, Mrs. Billy Paul Collins, Mrs. Emery Lewis, Mrs. Merbert Smith, Mrs. Follace Fields, Mrs. Ralph Gambrell, Mrs. Bill Combs, Mrs. W. L. Stallard, Jr., Mrs. Robert Williams, Mrs. Elmer Collins, Mrs. Jack Blair, Bonnie Griffie, Roberta Halcomb, Imogene Lewis, Karen Kline, and Nika Rose Stallard.

News For Veterans

GI Home loan lenders in Kentucky are being requested by the Veterans Administration Regional Office in Louisville to report any loans coming to their attention in which the property is transferred within 90 days from the loan closing date, Ray R. Adams, Manager of the office announced today.

The VA is taking this step to check the illegal practice of veterans acquiring properties with GI loans for resale to non-veterans, Adams said.

From time to time, VA has uncovered cases in which home loans were guaranteed on behalf of veterans who had no intention of occupying the properties as their homes.

VA said that generally the veterans who were parties to these illegal transactions were induced to obtain GI loans by persons who were fully aware of the seriousness of the offenses and of the consequences which might result.

VA urges all lenders and other persons participating in the GI loan program to assist in every way to avoid such cases.

All property sales occurring within 90 days of closing reported by lenders will be investigated by VA to determine whether sales of entitlement were involved, or whether there were valid reasons which prompted the sale of the properties.

Under the law, veterans must have the intention of occupying the properties at the time of closing as well as at the time of loan application. This has been misunderstood by some, VA said.

If circumstances occur after a loan application has been submitted to a lender which would make it impossible for the veteran to occupy the property, the loan would be ineligible and should not be closed, VA emphasized.

VA said lenders should make sure at the time of closing that a veteran does in fact intend to occupy the property at his home.

Fleming and McRoberts Baptist News

By Pastor, James E. Casey, Jr.

A victorious happy, Christian life should be the lot of every true Christian. We should not be fettered by the Chains of this world and held in bondage by the pull of this earthly life. The Christian should have daily and hourly victory.

Many Christians are living defeated lives. They do not know what it means to be on the "victory side of life." Even the expressions on their faces betray many of them. They are downcast, worried, depressed, with seemingly no spiritual life about them at all. Surely God has something better for us than that!

There is victory for the Christian! God has made it possible for us to walk triumphantly with Him in this life. To the Christian there is no defeat! Paul said, "I can do all things through Christ which strengtheneth me."

There is a way to constant victory, and that is the way of full surrender on our part to God. We must yield to Him our wills, our minds and our hearts. We must give Him first place in our lives if we are to know what real victory is. When we fully surrender all to God, then He fills us with His Spirit. Without His power our lives will be a failure. We can only have His power as we yield our lives to Him. Our lives must be laid on the altar and counted as loss to our selves.

Christian, are you living a defeated life? Or are you living a happy, victorious Christian life? It all depends upon whether or not you are yielded to Him. Give yourself to Him today, fully and completely, that He might be able to live through you the life that He wants lived.

Plan to attend Church this Sunday. We invite you to one of the friendliest Churches in Letcher County. If you are looking for a Church home come and be with us and we will do you good. If you are lost won't you trust Christ and live for Him every day.

VETERANS OF FOREIGN WAR OF THE UNITED STATES NATIONAL HEADQUARTERS

June 6, 1956

Dear Comrade Commander:
The Veterans of Foreign Wars is in danger of losing the ground it purchased on Capitol Hill in Washington as a site for the V. F. W. Memorial Building. We need IMMEDIATE help to fight off an attempt by the United States Capitol Architect to persuade the United States Senate to take over the V. F. W. property under right of eminent domain to use as a parking lot for Congressional employees.

A bill identified as S. 3704 has been introduced by Senator Hayden, a Democrat of Arizona and Bridges, a Republican of New Hampshire. This bill (S. 3704) would authorize the U.S. Capitol Architect to acquire by purchase or condemnation, two squares of property is located in one of the squares (724) which would be taken over by the bill, if approved.

A V. F. W. Delegation, headed by Congressman James E. Van Zant, Chairman of the V.F.W. Building Committee, has already appeared before the sub-committee and presented a strong argument and plea against the Senate taking over the ground owned by the V. F. W., which is to be used as a site for the proposed V.F.W. Memorial Building. At this time, the odds seem to be against the V.F.W. unless strong influence can be exerted upon members of the United States Senate.

It was brought out in testimony before the sub-committee by the Capitol Architect that the purpose of taking over the land by the Senate is because it can be obtained cheaper now than later on and while there is no need for the land on which to construct Government buildings, it can be used as a parking lot for employees of the Senators. It is conservatively estimated that it would cost the Government no less than five million dollars to take over this land and would cost hundreds of thousands of dollars to build underground surfaces and above surface for parking areas on same.

I want to urge you to IMMEDIATELY contact your United States Senator, advising that the V.F.W. has worked and planned for many years before buying this ground on which to build a beautiful MEMORIAL BUILDING and that it would be tragic for the Senate to use its power to take this ground away from the V.F.W. and use it for parking lots; then too, it should be pointed out that a resolution has been passed in both the House and Senate, making our building tax free when occupied by the V.F.W. Also point out that the Fine Arts Commission of Washington, D.C., has approved our architectural sketch. You should further advise him that the members voluntarily tax themselves \$1.00 each to build this building as a MEMORIAL to our Comrades who paid the supreme sacrifice. You should state that if there were a need for the property, that the V.F.W. would be the first to want the Government to have the property; however, as explained above, there are no plans by the Capitol Architect to use the property for building purposes at any time in the near future.

To get the job done, it will take IMMEDIATE ACTION in this matter and all replies received from your Senator should be forwarded to the National Headquarters office as this will assist our Washington office in planning their strategy to combat the action of the Capitol Architect in trying to acquire the V. F. W. land.

I trust that we can depend on you in this time of need and with my kindest personal regards, believe me to be, Sincerely yours in comradeship, Signed: TIMOTHY J. MURPHY Commander-in-Chief

A TRUE COPY
Your cooperation on this request will be appreciated by the Department of Kentucky.

Yours in comradeship,
C. M. CARTER, Jr., Commander

KILE CAMPBELL,
Commander, Post 5829.

KIWANIS SPIRIT

Weekly Bulletin of Kiwanis Club of Jenkins, Inc.

THIS WEEK — JUNE 21st.
Program Chairman is Marshall Prunty, who has the option of selecting his program topic.

NEXT WEEK — JUNE 28th:
President Hale has charge this week and will probably review Club progress for the first six months of this year.

LAST WEEK — JUNE 14th:
Chairman Jordan presented an excellent variety program with Kiwanian Kegan speaking on Flag Day. Mary Lynn Jordan singing, and Mrs. Barbara Belcher on the piano. A good job Ransom and our thanks to all participants for an excellent job.

ATTENDANCE PRIZE:
Damon Duncan won the prize. Kiwanian Landrum brings the prize this week.

PROGRAM COMMITTEE:
The program committee needs to get busy if they haven't already prepared a schedule for the next six months. Next week winds up the present schedule and we'll at least need programs lined up for July.

Teacher: "Where is the capital of the United States?"

Young Sage: "In loans all over the world!"

"Clarice is certainly wearing a daring gown, isn't she?"

"Yes, it's daring every man in the room."

LAUGH LINES:

Little Susie's hair cracked as her mother was combing it. "Why does it crack?" the child asked.

"Because it has electricity in it," replied the mother.

"Gee," ejaculated the modern little miss, "we're sure in the groove. I got electricity, Grandpa's got gas on his stomach, and Daddy's all lit."

A woman wears a sweater to accentuate the positive and a girdle to eliminate the negative.

The congregation of a village church read this announcement in its weekly bulletin: "The ladies of the church have cast off clothing of all kinds. They may be seen in the basement of the church any afternoon this week."

Contractor: "Daughter, I object to those two-piece bathing suits."

Daughter: "But, Father, I really think I should wear something."

Most people can drink just as easily sitting down as they can standing up. But few people can stand up as well after they've been drinking sitting down as they can sit down after drinking standing up — CLEAR AS MUD.

THE REASON MOST WOMEN DON'T LOOK GOOD IN SLACKS IS BECAUSE THE DISTANCE IS TOO GREAT BETWEEN THEIR HIP POCKETS.

Letcher Quarterly Court

ACTION NO. 1
ARNOLD COLLINS D/R/A COLLINS ELECTRIC CO. PLAINTIFF.

VS.
NOTICE OF SALE
JOSEPHINE SHORT DEFENDANT.

Pursuant to Judgment and order of sale recovered in the above case, I will, on the 7th day of July, 1956 at 10:00 A.M., in front of the Letcher County Court House door, sell at public auction the following items of personal property:

- 1 coal cook stove
- 2 white steel cabinets

The above items of personal property will be sold separately or together and on a basis of cash or on a credit of three months with the purchaser giving a sufficient bond for the purchase price.

Dated this the 20th day of June, 1956.

AND TOLLIVER TOWN NEWS

Friday night Mrs. Arvil Holbrook, was hostess to a Stanley Party with Mrs. Bethel Benton as demonstrator. A good time was had by all. Delicious refreshments were served to the following Mr. and Mrs. Willis Kiser and Sheeva, Mrs. Sylvan Holbrook, Mrs. John Shee, Mrs. Can Holbrook, Mrs. Joe Quin, Mrs. Hooker Hall, Mrs. Bethel Benton, Mrs. Crady King, Mrs. John Richardson and daughters Alice and Georgia Mae, Mrs. Matthew Richardson, Patty and Kathy, Porky Hall, Arvil Gene King, Dale and Rowena Webb.

Mr. and Mrs. Edd Haddix had all of their children home for the weekend and Mrs. Hosea Webb and Schotzie of Somerset, Kentucky, Mr. and Mrs. David Kincer and Mr. and Mrs. Langford Craft all of Dayton, Ohio, Edie Haddix Jr. returned to Dayton with his sisters, Mrs. David Kincer and Mrs. Langford Craft for two weeks vacation.

Mr. Ed Haddix left for Louisville, Kentucky, Monday morning on a weeks business trip for the Standard Oil Company.

Donna Kay Warf spent Sunday

night with Kathy Richardson.

Mr. and Mrs. Bobby Spangler are the proud parents of a baby boy.

Saturday afternoon, Little Miss Sheeva Kiger of Millstone, celebrated her third birthday with a party at her home.

Nice gifts were received and a good time had by all. A delicious Birthday Cake, Ice Cream, Cookies and candy were served to the following: Arvil Gene King, Patti Richardson, Kathy Richardson, Sandra Gibson, Sheeva Kiser, Thessa Baker, Mrs. Mable Kiser, Mrs. Arvil Holbrook, Mrs. John Shee, Mrs. Bill Baker, Mrs. Crady King, Mrs. Matthew Richardson and Tommy Shee Hee.

Sunday visitors of Mr. and Mrs. Hooker Hall were, Mrs. Bill Wright and daughters of McRoberts, Kentucky, and Kenneth Bentley and Michael of Millstone.

Cleatis, Kenneth, and Mr. and Mrs. Arvil Holbrooks, and Mrs. John Shee were in Ravenna, Kentucky, Sunday visiting Mr. and Mrs. Homer Noble.

The Presbyterian Church is open again after being closed a few weeks. We now have a preacher and everyone is invited

to come, Sunday School begins at 10:00 E. S. T.

If anyone has any Haymond or Tolliver Town News call 4671.

Mrs. Edith Mercer and daughter, Patty were home from Cleveland, Ohio for the weekend.

LETTERS TO THE EDITOR

Mrs. W. P. Nolan
The Mountain Eagle
Whitesburg, Kentucky

Ashland, Kentucky
June 15, 1956

Dear Mrs. Nolan:
My brother Alfred has started a column in your paper which he does not wish to be interrupted, and since he has to be away this week end making preparation to move to his new position in Ashland, he has asked me to pinch hit for him. I know that I am not the writer he is, but I hope this will suffice until he gets back on the job.

My kindest personal regards to all our many good friends in Letcher County and any time any of you are in Ashland, Grace and I would love to see you. Not long after I had written him the poem which appeared in last week's Eagle, I received the following poem from him.

Respectfully,
Moses C. Adams,
2723 Campbell St.
Ashland, Kentucky

"JUST TWIXT ME AND MOSE"
In the Fall of 1955

"SARAH'S TATER"
Dear Jason and Grace
Would you like me to write you a letter—

Well, I can't think of a thing in the world to talk about 'Ceptin Sarah's old big tater. I've seen many a big tater in my life

But never one like her'n' I go around tellin' peopole about it. And they just say, "I'll be dern." I've been haulin' it around in my automobile

Showin' it to whomever I meet And it's about the same old story with everybody. "That tater just can't be beat." Sarah strolled off up in the garden—

Just like she does you know And she decided to dig some taters. But she didn't have her hoe. I heard her mullerin' and a-squalin', Just a few minutes later And she said, "Alfred, run here quick, I want you to see this tater."

So I tuck out a runnin' Just as hard as I could go I knew good and well it was something unusual Or she wouldn't be hollerin' so. Well, I saw that big tater. And I just stood there with a wide open mouth.

I said to my old woman, I said, "Saah, Taters just don't grow that big in the South." She said, "I don't know nothin' about the north. I don't know nothin' about the south. But that dad burn tater grewed in my garden. For I just now dug it out."

Now Mose, you may think I am lying about Sarah's tater And I am pretty sure you do So I have a doggone good notion Just sendin' this tater to you. I know how you love taters

And what a good hand Grace is to cook 'em So I'll try to get it in the mail tomorrow And you may just as well be lookin' When you get this big tater And if you think I have told a lie.

Just send it on back to me, And I'll go off and cry. —Chunk.

PARK ACCOMMODATIONS LIMITED BUT AVAILABLE

Frankfort, June 28—Although Kentucky State Parks are having one of their busiest seasons, there are still some available accommodations. Lodge rooms and some cottages—without kitchens are available in June, July and August at Cumberland Falls State Park, near Corbin, Pine Mountain State Park, in Pineville, have some cabins, as does Carter Cave State Park, near Olive Hill. Natural Bridge State Park, at Slade, has both lodge rooms and some cabin facilities available for the summer. Penryrie Forst State Park, Dawson Springs, and General Butler State Park, Carrollton, have cabins available during most of the summer.

Kentucky Dam Village and Kentucky Lake have a waiting list for all cabins from now through August. Dining rooms are operated in all these parks also swimming, fishing, and other recreational facilities are offered.

The cool, mountain area of Pine Mountain, Natural Bridge and Cumberland Falls is especially inviting to guests who want a comfortable, quiet place to vacation and sleep. Almost every night is a "blanket required" night there.

After September, plenty of reservations will be available. Cumberland Falls, Kentucky Lake and Kentucky Dam are three state parks which remain open all year.

SORE FEET — MAJOR PROBLEM AMONG HOUSEWIVES SAYS FOOT SPECIALIST

Whether that June Bride is as radiant a year from now as on her wedding day may depend on how much attention she pays to the seemingly unromantic problem of her feet.

It's no secret that sore feet are a major problem among American housewives. It, therefore, perhaps is fitting that Doctor School's Foot Comfort Week (June 23-30) comes in the same month most young women become wives.

As a homemaker, the bride will find she walks an average of nine miles during a normal day. For an average-size woman the total weight placed on her feet over that distance equals 2,250 tons (that's four and one-half million pounds).

If she's not careful, the bride will find herself sore of foot and physically exhausted, not to mention disillusioned.

"Feet are the hardest working members of the body," says Dr. Wm. M. School, the world's best-known foot authority. "Consequently, they demand a comparable amount of care."

Most housewives run into foot trouble because they do not wear the proper kind of shoes, says the doctor. Either they try to do their work in high heels or slip into a pair of worn-out, run-down shoes that offer no support.

"Wear sensible shoes around the house," he advises. "Save the heels for dress-up occasions and throw away the worn-out shoes."

Corns, callouses and bunions should be attended to as soon as they begin to appear, says the doctor. Protective pads and medications are readily available almost everywhere.

Daily careful washing of the feet is a must. And regular applications of foot falm massaged into the skin along with dusting with foot powder will help keep feet supple and refreshed.

One of the best ways to avoid trouble, says Dr. School, is for the housewife to occasionally sit or lie down and elevate her feet higher than her hips. This stimulates circulation and relaxes the feet and legs, and helps keep feet and ankles from swelling.

Observation of these simple

rules will help keep the young housewife feeling like a bride for years.

OBITUARIES

—Reported by—
CRAFT FUNERAL HOME

THOMAS ADAMS

Thomas Adams, Mouth of Dry Fork, Kentucky, passed from this life on Friday, June 22, 1956 at his home after an illness of several weeks. He was the son of the late Watty and Rose Hogg Adams and was born on October 17, 1873, being 82 years, 8 months, and 5 days of age at death. He is survived by his wife Susanna Miles Adams, and the following children: Mrs. Bertha Perry, Crown, Kentucky, Mrs. Lizzie Nickols, Whitesburg, Kentucky, Johnny Adams, Ermine, Kentucky, Mrs. Angeline Brown, Mrs. Lola Brown, and Mrs. Zola Gibson, all of Crown, Kentucky.

Uncle Tommy as he was well known to his many friends was a farmer a hard-worker all his life and a fine old gentleman. Funeral services were held at the residence, Mouth of Dry Fork on Sunday, June 24, 1956 at 10:00 C.S.T. Officiating was Rev. Curt Caudill and Lewis Craft. Burial was in the U. S. Cemetery, U. S. Kentucky. Craft Funeral Home in charge of funeral arrangements.

—
MRS. MARGARET JEAN SLOANE
Mrs. Margaret Jean Sloane passed from this life at her home in Dayton, Ohio on Wednesday June 20, 1956. She was a former resident of Letcher County and the daughter of Arthur and Maxeline Samons Sturgill and was born on December 8, 1933 being 22 years six months and 11 days of age at her death. She was married to Odell Sloane and is survived by her parents, her husband and two children Stella Louise and Odell, Jr. and several brothers and sisters. She was a member of the Church of God, Whitesburg, and true follower of Christ. She was a wonderful Mother and a devoted wife. Funeral services were held at the residence of her father on Fert Creek, Sunday June 24th at 2:00 p.m. with Rev. Ralph Wilder and

Bee Day, Sr., officiating. Burial was on Monday at 10:00 a.m. in the Fowley Cemetery, Fert Creek, Kentucky. Craft Funeral Home in charge of funeral arrangements.

FARMERS PAMPHLET ON GAS TAX REFUND NOW BEING PRINTED

Commissioner Russell C. Harrington today announced publication by the Internal Revenue Service of a pamphlet for the guidance of farmers who will soon be filing a claim for refund of the Federal tax paid on gasoline used for farming purposes.

The 15-page guide pamphlet is titled "Publication No. 308", and is now being printed. Distribution to field offices of the Revenue Service is expected to be completed by June 25th. Commissioner Harrington said that copies of the guide will be furnished only on request, and he emphasized that requests should be directed to the office of the local District Director of Internal Revenue or to local county agricultural agents.

Publication No. 308 explains in plain language the rules and procedures to be followed in filing a claim for refund of the Federal gasoline tax. It also explains the steps to be taken by farmers to obtain relief from the Federal tax on diesel and other special motor fuels which are used for farm purposes.

The public law authorizing this refund was approved by President Eisenhower on April 2, 1956. Claims for refund are to be filed between July 1 and October 1 with the U. S. District Director of Internal Revenue for the farmer's district on Form 2240. The first claim to be filed is to cover taxes paid on gasoline purchased and used during the first six months of 1956. Thereafter, refunds will be made for taxes paid during a one-year period from July 1 to June 30. It has been estimated that more than four million farmers will be eligible for refunds.

A \$100 reward is being offered by Bill Blair for information leading to the arrest of the party who stole copper wire from his mines on Rockhouse Tuesday night, June 26.

the Appalachian Mountain People, President of Berea, Francis H. Hitchens, will present the award.

Others to be similarly honored are Dr. Mary Sloop, Founder of The Crossnore Schools, Crossnore, North Carolina, and Dr. Ralph W. Lloyd, President of

Maryville College, Maryville, Tennessee. Mr. Charles L. Edgeman, prominent Cincinnati businessman and Maryville College

Trustee, will host the picnic to which 300 have been invited to honor Dr. Lloyd on Tuesday, July 3.

Most modern truck V8's ...and the pounds prove it!

Weigh the facts...
and you'll choose today's most modern trucks

Wasted weight is engineered out of Chevrolet truck V8's!

Chevrolet's truck V8's have a rugged yet remarkably compact cylinder block. Modern design cuts down engine weight.

More power per pound means more power for your payload!

Less power is used up in moving engine weight, more is available for moving your payload. You get hour-saving performance!

There's a modern V8 for every Chevrolet Task-Force truck!

There's a V8—either standard, or optional at extra cost—in every Chevrolet truck model. Horsepower ranges as high as 195!

Chevrolet Task-Force Trucks

Sergeant News

By Mrs. Russell Powell
Sergeant Sunday School Attendance the 24th was 56.

Mr. and Mrs. Astor Cook and son Dan are guests of their parents Mr. and Mrs. Halter Cook and Mr. and Mrs. Gordon Fields. They are on a two-weeks vacation from Tiffin, Ohio.

We are proud to welcome as neighbors Mr. and Mrs. Clarence Stamper and baby from Millstone. He is employed at Millstone Store.

Mr. and Mrs. Jimmie Waddell of Louisville, Kentucky are home with their parents, Mr. and Mrs. Ernest Waddell and other relatives. Mrs. Ernest Waddell is a patient in the Whitesburg Memorial Hospital.

Mr. and Mrs. Pascal Gilbert and daughter Judy of Dayton, Ohio, are guests of their parents Mr. and Mrs. Russell Powell. They also visited at Middlesboro, Kentucky with Mr. and Mrs. Gilbert.

On Friday Donna Senter, R.N. Nurse from California was guest of Miss Janice Watts, nurses aid at the Whitesburg Memorial Hospital.

Little Ronnie Trimble is a very ill boy with double pneumonia. He is in the Jenkins Hospital.

Mrs. Mallie Webb and family of Middletown, Ohio were weekend guests of Mr. and Mrs. Bill Webb.

Mrs. Hattie Proffitt of Camp Branch was weekend guest of Mrs. Bill Webb.

Mr. and Mrs. Boone Farley, the daughter of Mrs. Mallie Webb of Middletown were also Sunday guests of Mr. and Mrs. Bill Webb.

Mrs. Willie Sizemore is a patient in Whitesburg Memorial Hospital at this writing.

Mr. and Mrs. Jack Price and son spent weekend with Mr. and Mrs. Dewey Graves at Mount Vernon, Kentucky.

Mr. J. C. Sergeant was Sunday night and Monday visitors of Mr. Bobby Ray Collins of Lorraine.

Ohio, is spending summer vacation with grandparents Mr. and Mrs. W. B. Hunsucker.

Mrs. Lee Owens of Wise, Virginia visited for a few weeks with her mother, Mrs. McKinley Crase.

Mr. and Mrs. Ben Mullins and Mr. and Mrs. Bonnie Mullins and family and Mrs. Burk, all of Myra, Kentucky were the guests of Mr. and Mrs. Roscoe Webb of Sergeant recently.

Mrs. Roscoe Webb is ill at this writing.

Mr. and Mrs. Ralph Bach are visiting with friends and relatives in Sergeant and Harlan, Kentucky. Curtiss Bach from Hampton, Virginia, is visiting with Ben Hunsucker.

CAMP BRANCH

—by N. Sergeant

Sunday school attendance for June 24th was 33.

Mr. and Mrs. J. M. Clay had as guests on Saturday night Mr. and Mrs. Dale Mullins, Ronnie and Karen.

Mr. and Mrs. A. J. Clay had as guests Rev. and Mrs. Stephen Polly and family Sunday evening.

Mrs. A. J. Clay is very ill at this writing. We wish her a speedy recovery.

Mr. and Mrs. Glen Clay and Nancy visited Mrs. George Adams Sunday evening.

Mr. and Mrs. J. M. Clay has as guests on Sunday-afternoon, Mr. and Mrs. Dale Mullins and children of Louisville, Mr. and Mrs. C. B. Clay, Mr. and Mrs. Andrew Clay, Mr. and Mrs. Ralph Clay and girls, Mr. and Mrs. E. A. Sergeant, and Nannie Lou.

Miss Linda Joyce Pennington was Saturday night guest of Miss Mary Lou Crase.

Mr. and Mrs. Enoch A. Sergeant and Nannie Lou had as guests on Saturday Mr. and Mrs. Ralph Clay, Brenda and Deborah.

Mr. J. C. Sergeant was Sunday night and Monday visitors of Mr.

and Mrs. E. A. Sergeant and Nannie Lou.

Haymond News

Miss Brenda Mattox attended Camp Nathaniel at Emmalena, Ky., last week. Her friend, Judy Lincoln of Hazard, Ky., returned home with her for a visit.

Mrs. O. V. Tucker of Leatherwood spent from Thursday until Sunday of last week with her mother, Mrs. Floyd Whitaker, at the home of Sherman Whitaker.

Mrs. E. A. Mattox was a Hazard, Ky., visitor for several days last week.

Mr. and Mrs. Nelt Polly and children are spending a few days with their daughter in Portsmouth, Va.

Mrs. Laura Disney of Neon has returned to her home in Fleming after a nice two weeks vacation with her daughter, Glennah Disney and her granddaughter, Jean Wright, who live in Louisville.

STATION WORKERS CHECK CORN ZINC DEFICIENCY

What may be zinc deficiency in corn, characterized by yellow streaking when the plants are 8 to 10 inches high, is being checked by Kentucky Agricultural Experiment Station agronomists.

The specialists ask that samples of corn and soil from fields showing such symptoms be sent in. Samples also should be collected from up at of the field or nearby field where the corn is healthy.

In severe cases, the leaf tips, margins and sheaths become purple, a broad yellow stripe develops down each side of the leaf, and the pith may have dark blotches at the lower nodes. The plant also is stunted.

The agronomists note these symptoms also might be caused by blue aphids on corn roots and that there may be some relation between the two causes.

County agents have details on how to send the soil and plant samples to Room 213, Agricultural Experiment Station, Lexington, Ky.

McRoberts News

—by Flora Scott

Miss Norenda Brown is home for the summer from the Philadelphia Bible Institute.

Mr. and Mrs. Ray Fleming were visiting friends in town Saturday. He is now in the mining business at Virgie, Ky.

Mr. and Mrs. Bill Shade of Philadelphia, Penn., are visiting her parents, Mr. and Mrs. Monroe Sizemore. They are helping at Camp Nathaniel for the summer.

A-2c Ronald D. Scott left Thursday for New York and then will go to North Africa for twelve months.

Mrs. Donald Scott was home from Johnson City, Tenn., part of last week.

Mr. and Mrs. Astor Williams and baby were in from Louisville, Ky., over the week-end.

Mrs. Myrtle Zideroff and boys returned home after visiting in Dayton, Ohio, for several weeks. Mr. and Mrs. Edsel Zideroff came home with her and are showing their friends their new baby girl.

Mrs. Nelson Webb was home from Elizabethtown, Ky., over the week-end. Her family hope to move there some time this week.

Mrs. Bertha Brewer and Joyce have returned from a visit to Detroit.

Several ladies met at the home of Mrs. Oma Brown's last week with Miss Roberta Halcomb to organize a 4-H Sewing Club for girls from 10 years and up. So, if anyone is interested see Mrs. Oma Brown within the next few days.

Navy buildings housing 166 Americans in Antarctica were built to stand minus 100 degree temperatures and plus 100 knot winds.

GMC's new Model W550

makes earth-moving more profitable five ways:

BIGGER LOADS

Oversize tandem axles (34,000 lbs. rated capacity)—double frame or L-type reinforcement available.*

FASTER TRIPS

210-hp V8 means quick set-up and-go, on or off road!

ENDS SHIFTING LAGS

Hydra-Matic Drive™ zooms it up ramps in one steady sweep—takes off faster—keeps more trips—keeps drivers happy!

EASIER HANDLING

Better weight distribution—Hydra-Matic and Safety Power Steering*—make maneuvering easier.

LOWER COSTS

Economical operating costs—far less down-time—GMC quality at a real competitive price.

Big choice of Blue Chip GMC's waiting! Model W550 (40,000 GVW) is one of a wide range of heavy 4- and 6-wheel construction models. Come in and write your own ticket!

Six Important Steps In Tomato Production

Disease and insect control, fertilization, cultivation, watering and mulching are important steps for the home gardener to reach a goal of 10 pounds of tomatoes to the plant, says George A. Marlowe, Jr., U. K. Extension specialist in horticulture. He makes these recommendations:

Weekly spraying or dusting, started at the time the first blooms appear should be continued until frost to control early and late blight. Spraying is preferred, as the undersides of the leaves as well as the tops are given better protection.

Tomato dust containing copper may be used, but even better are the sprays containing zineb or maneb, such as Dithane, Manzate or Vanicide.

Many insects bother tomatoes, but they can be controlled by the use of a malathion spray once a week. Marlowe emphasized that while malathion is a good general insecticide, it should not be used on a crop that is to be harvested within 10 days. It is available in a dust or spray. Manufacturers' directions on the use of all chemicals should be carefully followed, Marlowe emphasized.

If an all-purpose spray is wanted, the combination formula of 3-percent methoxychlor, 4-percent malathion, and 5-percent captan is all right for tomatoes, though not as good a fungicide as those mentioned in the paragraph above.

The first application of fertilizer should be made when the fruit is the size of a pea or cherry. Too early application may prevent fruit from setting.

Use 1 tablespoon of ammonium nitrate, or twice that amount of nitrate of soda, and make a ring within 4 inches of the stem of the plant, then water it slowly into the soil. A second application of fertilizer should be made when the fruit is about 1½ inches in diameter.

Cultivation of tomatoes should be very shallow and only as necessary. Deep cultivation destroys roots and causes the soil to dry out more quickly.

A few thorough soakings of the soil is much better than frequent light waterings. A good rule is to apply in one watering what would be equal to an inch of rainfall. Don't wet the foliage, if possible, as the spray or dust is washed off, and blight is more likely to strike under damp conditions.

An inch mulch of sawdust (new or old) or a plastic cover or will save moisture and keep the soil cooler, the weeds down, and the fruit clean.

BRIGHT FUTURE FOR JUNE GRADUATES

This year's college graduates need not take off his cap and gown and timidly pound the sidewalk while job hunting, according to the editors of *Changing Times*, The Kiplinger Magazine.

There are plenty of jobs. For every engineering graduate there are an estimated 12 to 15 openings available; for every would-be teacher, eight to ten openings; for every business trainee, five to six openings; for every liberal arts graduate, three to four openings.

Starting pay is up \$20 to \$25 a month over what it was last year, which was a record maker. Officers of \$500 a month and more are reported. Those are for men. Girls are lucky to get much over \$300 a month.

Engineers hold the lead as far as pay is concerned. One big midwestern university reports that neophyte engineers are being offered \$347 to \$527 a month. In the fields of business, sales and teaching, starting pay for business trainees is from \$325 to \$425 a month; teachers, \$265 to \$357 a month; government employees, \$306 to \$399 a month; accountants and salesman, \$352. Girl graduates will find it tougher, although salaries beginning at over \$300 a month can be found in the sciences, statistics, libraries and editorial work.

Few college graduates will go into business for themselves right away. They will get practical training first. Most will find the risks, the required capital and the hard work not worth the gamble.

Graduates are emerging into a world in which technological achievement will be fantastic, living standards very high and leisure time abundant. The wise ones will start planning now to make the most of what's in store for them.

HEALTH FOR ALL

First Aid For Summer

Summer is the time when the family first aid kit comes into most active use. To the usual household emergencies are added the hazards of the great outdoors. Despite all warnings, people will let themselves be gloriously sunburned on the Glorious Fourth; children will run barefoot through the grass; teenagers will drive cars with the top down and get cinders in their eyes; men will cut themselves with the pruning shears, and everyone will eat indigestible combinations of food at picnics.

First aid is in demand. What does it mean? Why? "First Aid" Simply, it means the first thing you should do in an emergency. In some cases, it's the action you take till the doctor arrives. In others the injury may be so slight that first aid is all the aid that's needed. That doesn't mean it isn't just as necessary. The smallest break in the skin if it isn't attended to, invites germs and can result in serious infection.

How is your first aid kit? It is ready for summer emergencies? Here is a check list of minimum requirements:

1. A mild antiseptic for cuts
2. Spirits of ammonia for fainting
3. A soothing eye wash
4. Antiseptic package of absorbent cotton
5. Sterile gauze bandages or adhesive tape in various sizes
6. Adhesive tape
7. Petroleum jelly or other ointment for burns
8. Aspirin
9. Soda mints or sodium bicarbonate
10. Rubbing alcohol

Be sure the equipment in your home or car First Aid kit is as fresh as it is complete. Certain items deteriorate with age. Others—such as sterile bandages—are safe only if kept in sealed packages. Remember the Scout motto and "Be Prepared."

LOCAL PARATROOPER MAKES 28th JUMP ON

MULCH, Germany, June 28.—Alvin Bentley, squad leader of "H" Company 3rd Airborne Infantry Regiment made his 28th jump on "ROCK DROP ZONE", located near Mulch, Germany.

Private First Class Bentley has been a qualified paratrooper for twenty-five months and a graduate of Fort Benning Jump School.

Private First Class Bentley entered the army 21 April of 1954 and volunteered for the Airborne. Private First Class Bentley enjoys jumping and volunteered Gyro-scope with the 11th Airborne Division. He is the son of Mrs. Cecil Bentley of McRoberts, Kentucky.

Private First Class Bentley is with a proud outfit the 503d Air Infantry, which had three combat jumps in the second World War, such jumps as Markham Valley, Normandy Island and the famous jump on the Island of Corregidor where the 503d got its name the "ROCK".

LACKLAND AIR FORCE BASE TEXAS.—Hiram R. Whitaker, 28, son of Mr. and Mrs. Watson Whitaker, Box 202, Whitesburg, Ky. Teddy James Hunspecker, 18, son of Mr. and Mrs. J. C. Hunspecker, Payne-Gap, Kentucky are completing their Air Force basic military training at Lackland Air Force Base, the Gateway to the Air Force.

The Lackland training is preparing them for entrance into Air Force technical training or Air Force duty assignment. The course includes a scientific evaluation of his aptitude and inclination for following a particular career field.

Lackland, situated near San Antonio, is the site of Air Force basic military training for men and women and home of the USAF Officer Military School, of which the USAF Officer Candidate School, the USAF Pre-Flight School and Officers Pre-Flight Group are operating units.

From "LIFE IN THESE UNITED STATES"

Togged out in gay gypsy rags I was the fortune teller at our church bazaar. Business was brisk as people I knew came in to hear the outlandish things I predicted for them. My last customer, a man, was a stranger to me. Trying to sound particularly mysterious and convincing, I intoned in a deep voice, "I see a buried treasure."

"Oh, I know all about that," the man interrupted testily. "My wife's first husband."

NEW UK PRESIDENT—Dr. Frank G. Dickey, Dean of the University of Kentucky College of Education, has been named fifth President of the University by the Board of Trustees. Dr. Dickey will succeed Dr. H. L. Donovan, President for the past 15 years, on Sept. 1.

University Plans Great Expansion, Says New Prexy

Dr. Frank G. Dickey, 38-year-old educator who will become president of the University of Kentucky, Sept. 1, says the "whole role of the university will be expanding."

"Many plans for the growth and development of the university have been worked out" and these plans "will certainly be followed."

Dickey's remarks were made at a press conference immediately after his selection by the university's trustees to succeed Dr. H. L. Donovan, who is retiring as president at the age of 69.

Dickey, dean of the College of Education, will be the youngest president in the 91-year-old history of the university. He also will draw more than any of the other four presidents or \$21,000 a year.

The president elect said he would seek "a balanced program" and one of "construction, research and service" to benefit the entire state. He paid tribute to Dr. Donovan's "vision of the future" which "make it much easier for anyone" assuming the presidency. Donovan announced last April his plans to step down Sept. 1.

Dickey, unanimous choice of the trustees, said in answer to questions concerning the university's future role in athletics, it would be "my philosophy to continue to maintain the program of athletics on the same high level" as in the "past few years."

Goals Outlined

He outlined these goals for his administration:

1. Construction of the proposed UK medical center and developing its relationships with other campus units.
2. Building a "stronger and stronger staff all the time."
3. "Raising standards of academic achievement on the part of the student body."
4. "Interpreting to the public the achievements and the needs of the university" through an intensive public relations program.

A former Army master sergeant, Dickey was born in Waggoner, Okla., graduated from Lexington Henry Clay High School and Transylvania College with honors, obtained his master and doctor's degree in education at Kentucky and took advanced work at Harvard. He is married to the former Elizabeth Drymon of Fayette County and is the father of three children, Frank, Joseph, and Ann Elizabeth.

After receiving his doctorate only nine years ago, he rose to become the youngest dean in any major college in the country.

U.K. Vice President Frank D. Peterson said Dickey's salary was in keeping with expectations that the unnamed dean of the new medical school would draw \$20,000 a year and the president should receive more. Dr. Donovan received \$12,000 a year plus expenses and as president emeritus will receive \$15,000 a year including expenses.

A record \$11,161,107 budget for the year beginning July 1, was approved for the university recently.

Man works from sun to sun, but SAVINGS BONDS work for you 24 hours a day. Give them a chance to make your future more secure.

WRIGHT-PATTERSON AFB, June 28, 1956—Airman First Class Carroll H. Schackelford, son of Mrs. Susan Le Quire, Day, Kentucky, was promoted to Staff Sergeant during the recently closed promotion cycle. His promotion will be effective as of June first.

Sgt. Schackelford is assigned with the 2750th Air Base Wing, at Wright-Patterson AF Base, Ohio.

He is married to the former Sara Ruth Hampton, daughter of Mr. and Mrs. John D. Hampton of Dongola, Ky.

Sgt. Schackelford has indicated his intention to remain in service until he becomes eligible for retirement on pension.

Bandage Clings to Itself and to Jayne Mansfield

New York, N. Y.—Broadway star Jayne Mansfield set Toots Shor's restaurant buzzing when she wrapped her celebrated curves in Johnson & Johnson's new KLING conform bandage to demonstrate how well this self-fitting bandage conforms to all body contours. Jayne helped Johnson & Johnson introduce the new roller gauze bandage at a "Do-It-Yourself Bandaging Party" for the press. More than 100 editors bandaged each other with KLING and noted that the new gauze clings to itself and stretches up to 40%, permitting complete freedom of movement for bandaged elbows, knees, ankles and other joints.

WATSON COMPLETES FIELD TESTS IN GERMANY

ARMY HOME TOWN NEWS CENTER, KANSAS CITY, MO.—June 28.—GRAFENWOHR, GERMANY—Army Pvt. Rush F. Watson, 26, whose wife, Johnnie, lives in Jenkins, Ky., recently completed a 25-day series of field training tests with the 10th Infantry Division in Germany.

The tests included squad, platoon and company combat tactics

and individual survival under simulated battle conditions. A rifleman with Company I of the division's 87th Infantry Regiment, Watson entered the Army in 1954 and arrived in Europe in September, 1955.

For your kind of driving

Nothing beats FORD V-8 performance!

A Ford V-8 has a way of saying, "I'm all yours," the moment you get behind the wheel. You know it, too, from the way it acts. Your Ford V-8 quickly and easily untangles you from the maze of city traffic. It rockets you along the straightaway, gives you instant response to pass in a flash. And this greatest of all V-8's is greatest yet on hills. It fairly lifts them back to level! And no wonder! * Ford offers you V-8 power up to 225 h.p. in most models—up to 202 h.p. in all models, with Fordomatic Drive. * Take your pick of 19 beautiful Thunderbird-inspired Fords.

50 years of progress in electric power...

How modern power plants helped reduce the cost of electricity

In 1906, when the American Gas and Electric Company was founded, power plants were small and inefficient, and production of electricity was very expensive. For example, it required 54 pounds of coal to generate one kilowatt-hour.

For the past 50 years, the American Gas and Electric System—of which we are a part—has pioneered in the development of more efficient generating facilities. Indicative of

the progress that has been made is the fact that four of the AGE System's 12 major power plants today are among the top seven most efficient generating stations in the world, and for five of the past six years an AGE System plant has been first. And the best of these plants can produce a kilowatt-hour from less than 1/4 of a pound of coal.

What's more, larger and more efficient plants are being built and still others are on the drawing boards.

The AGE System uses more than 10,000,000 tons of coal a year to produce more electricity than any other investor-owned power company in the world. Generating this much electric power as efficiently and economically as possible has helped to lower the cost of electricity to less than 1/4 its 1906 level. This is just one result of "50 Years of Progress in Electric Power."

*Efficiency is a measurement of a power plant's performance and is based on the amount of heat, coming from the fuel burned, used to generate 1 kilowatt-hour of electricity.

KENTUCKY POWER COMPANY

CYNTHIANA TO BE LOCATION OF NEW BRANCH PLANT

FRANKFORT, June 21 — A new one million dollar manufacturing plant will locate in Cynthiana. This is a result of the State Agricultural and Industrial Development Board bringing together two former college classmates. The plant will employ about 100 persons.

The A&ID Board said a spokesman of Blake and Johnson Co., 100-year-old Waterville, Conn., machine screw and bolt manufacturer, has notified Cynthiana's Mayor Sterling P. Owen of the decision to build a branch in that city. The announcement was

Now Many Wear FALSE TEETH With More Comfort

FASTEREETH, a pleasant alkaline (non-metal) powder, holds false teeth more firmly. To eat and talk in more comfort, just apply FASTEREETH on your plates. No surgery, power, pain, taste or feeling. (Check plates only) (denture breath). Get FASTEREETH at any drug counter.

\$1,000.00 A MONTH—

and more, is possible; buying and selling, bankrupts, close-outs and overstocks; often as low as 10 per cent on the dollar. Established dealers and those who wish to start a local or mail order business, write—

CROMONA, KY.

31c.

made by Chester P. White, vice president of the firm—and one of Owen's fraternity brothers at Washington & Lee University, class of 1938.

George W. Hubley, executive director of the A&ID Board, said White contacted the Board last December for information on Kentucky towns between 5,000 and 20,000 population and within 350 miles of Blake & Johnson principal markets in the Midwest and South.

Hubley said Blake & Johnson is one of 54 companies the Board recently announced were considering industrial sites in the State. According to the Board's records, 20 new manufacturing plants, employing 4,700 persons and having an investment of 25 million dollars, have begun operations or announced plans to locate in 14 Kentucky cities since the first of the year.

SUNDAY is the Lord's Day and Your Day to Worship Him at your favorite Church.

SPEND MORE ON RESEARCH, COAL MEN TOLD

Study Fund Suggested with Nickel-A-Ton Tax

WASHINGTON—A chemical research expert suggests that the bituminous-coal industry tax itself a nickel a ton of production to raise a multi-million-dollar research fund to expand usefulness of coal.

Joseph P. Davidson, New York vice-president of the Union Carbide & Carbon Company told the National Coal Association convention recently that coal industry is backward compared to chemical, oil and some other industries in basic research.

He said coal is spending \$17,000,000 annually for research, most of it for mechanical development, rather than such basic research as coal pipelines and conveyors to beat high rail transportation rates, turning coal into gasoline and valuable chemicals and other uses.

Cites Own Firm's Outlay
By contrast, he said, his own Union Carbide firm spends 40 to 50 million dollars a year in chemical research and the entire chemical industry spends \$360,000,000 a year.

"There isn't enough being done by the coal industry to solve some of its problems through research," Davidson said.

He said Union Carbide has licked the chemical problems in producing gasoline and valuable chemicals from coal through hydrogenation and experts in industry or two to master mechanical problems to turn out many new chemicals obtained from coal. He said Union Carbide has spent nearly 20 years and \$35,000,000 in these experiments.

The association elected L. Newton Thomas, Charleston, W. Va., president of the Carbon Fuel Company, as its president for the

coming year.
Among resolutions adopted was one calling on Congress to increase the income-tax depletion allowance for coal. The resolution said oil and gas have greater depletion allowances.

ENROLLMENT AT UK

15 UP 15 PER CENT
The University of Kentucky's Summer Session enrollment has been reported at 2,957—representing an increase of 15 per cent over last summer's figure. Dr. Robert L. Mills, University registrar, said that students who will enroll later in the summer for special workshops, short courses, and seminars will bring the overall registration total to more than 3,000.

At the same point in the 1955 Summer Session, 2,567 had signed for classes.

Strawberry Corner County Agent's Notes

By Robert H. Fike,
Area Strawberry Agent

RENOVATION OF THE STRAWBERRY PATCH

This renovating should be done before this appears in print. For those who not or who have only done part, I will outline steps again.

1. Mow vines - 1 to 2 inches above bud.
2. Rake — If vines are too heavy chemicals from coal through hydrogenation and experts in industry or two to master mechanical problems to turn out many new chemicals obtained from coal. He said Union Carbide has spent nearly 20 years and \$35,000,000 in these experiments.
3. Fertilize—300 lbs to an acre of 10-10-10 broadcast.
4. Work out the walk row—keep 18 inches of the row.
5. Thin plants in row if necessary —should have 5-8 plants left per square foot.

If this is not done pronto, the plants will go into a dormant state and they just stand and don't make runners and regain strength.

FARM NOTES

—by Ellis Bishop
Acting County Agent

June is the month when the dreaded tomato blight appears. Tomato blight can be prevented by using Zineb, Fixed Coppers or Captain. The fixed coppers recommended are: Tribasic Copper Sulfate, copper oxychloride, and copper oxichloride sulfate. Insects can cause considerable damage to gardens. Get your insecticides and have them ready for biting and chewing insects use Rotenone, 1% dust, methoxychlor 5% dust or 50% wet powder, DDT or Malathion.

The corn ear worm can be controlled by dusting the silks with D.D.T. or the 50% Wettable powder. Dust again 3 days later. Back to spraying and many have been asking about the one package spray. One that has proved effective is: 3% Methoxychlor, 5% Malathion, 3% Zineb. Follow directions on the bag.

The following mixture can be mixed at home by mixing these ingredients on one gallon of water. Two tablespoons of malathion 25% wettable powder, 3 tablespoons methoxychlor 50% wettable powder, 3 tablespoons captain 50% wettable powder. This mixture gives good control on both insects and diseases.

1956 Strawberry Crop

Frankfort, June 28 — About 425,000 crates of strawberries were produced and marketed in Kentucky during the 1956 season, an official of the Department of Agriculture said.

The season just concluded was described as excellent by Harold Bray, director of the Division of Markets. The price remained strong and uniform, he said, and the volume was "extremely good."

This year's crop, Bray said, was 62.5 per cent U. S. No. 1 grade compared to 77.5 top grade in 1955. Production averaged 62 crates an acre this year and 37 crates last year, Bray said. The total production last year was 110,000 crates.

The price a crate averages about 10 per cent below last year's. Top berries on the 1956 market brought a price of about \$3 to \$3.50.

Homemakers Corner

by Roberta Halcomb,

The homemakers have done an excellent job in making straw purses this month. Approximately 150 purses were made in the meetings and straw sold for several more. I have straw for five more. This is for sale to the first five coming in for it. Cost? 50c. Those wishing to work with colored straw can get information at my office.

DON'T FORGET
Control red spiders on evergreens with dusting sulphur or malathion. Bagworms can be controlled with malathion or arsenite of lead, or they can be picked off and destroyed if there aren't too many.

SPECIAL
There will be a meeting on planning the family food, storage, new trends in canning and freezing and food storage structures, at the First Baptist Church in Whitesburg on Tuesday, July 10, at 10 CST. Two specialists from the University will be here. The meeting is open to everyone interested. Come on out.

SCHEDULE
July 2, Whitesburg, 7:00 p.m.—Baptist Church.
July 3, East Whitesburg, 10:00—Mrs. Jack Jenkins.
July 3, Neon, 7:30 E. T.—Mrs. Elsie Tucker.

4-H CAMP
We're at Camp at Quicksand this week. See the special article on this.

4-H Sewing
A group of homemakers in McRoberts are planning to work with a few girls in 4-H Sewing this summer. These ladies received special training last week. If you know of four or five women in your community who would like to work with girls this summer, let me know and I can give the training to these ladies.

THINK
Smile at those you meet on the street the same way you smile at the person you see in a mirror.

EAST WHITESBURG HOMEMAKERS

By Mrs. Virgil Blair, Reporter
The East Whitesburg Homemakers club met at the home of Mrs. Bob Owens for their June meeting. Mrs. Myrtle Boise gave the devotional on the subject: "Are You Dependable?"

June reports were made. Discussions of plans for the Annual meeting and reports from district meeting.

The members were very eager to get to making the straw bags which was our craft lesson this year. They were very pretty and useful.

We were happy to have as our guest, Mrs. Delilah Wright. Six members were present: Mrs. Gordon Barker, Mrs. Myrtle Boise, Mrs. Jack Jenkins, Mrs. John Jenkins, Mrs. Virgil Blair, and Mrs. Owens. We all enjoyed the refreshments of ice cream, cake and iced tea.

A picnic was planned for July at Mrs. Jack Jenkins.

TB HOSPITALS LOSES POPULATION IN MAY

FRANKFORT, June 29 — The population in Kentucky's Tuberculosis hospitals decreased 34 during May, it was reported today by Joe Miller, executive director of the Tuberculosis Sanatoria Commission.

Patients at each of the hospitals at the end of May totaled: Madisonville, 102; Hazelwood, Louisville, 144; Paris, 100; Ashland, 102; London, 96; and Glasgow, 102.

"Respected For The Best"

CLEMENTS' EDGE WAS 81,820

Vote Certified; Morton Victor By 28,521

FRANKFORT, Ky., Senator Clements' final margin over Joe B. Bates in the May 29 Democratic primary stood at 81,820 today when the last returns were filed in the office of the secretary of state.

In the Republican senatorial primary, Thurston B. Morton's final margin over Julian H. Golden was 28,521.

Result of the Democratic senatorial primary:
Clements, 218,353
Bates, 136,533
James L. Dell, 3,706.

In the Republican Senate race Morton, 41,497
Golden, 12,976
Granville Thomas, 4,490.

The State Board of Election Commissioners met briefly this afternoon and certified the results.

In the races for representative in Congress:

First District: Democratic — Nobel J. Gregory, Mayfield, incumbent, 35,352; Elwood Gordon, Benton, 18,702.

Second District: Democratic — William H. Natcher, Bowling Green, incumbent, 24,263; Norris B. Vincent, Owensboro, 13,271. Republican — Jack A. Conner, Owensboro, 2,455; Herschel G. Boggs, Owensboro, 261; R. B. Blankenship, Hartford, 3,209.

Third District: Democratic — Philip Ardery, Louisville, 33,919; Epharim K. Lawrence, Jr., 7,516; Jesse Nicholas Ryan Cecil, 1,570.

Fifth District: Democratic — Brent Spence, Fort Thomas, incumbent, 20,751; Morris Weintraub, Newport, 10,892. Republican — Julie Appel, Florence, 1,994; Edward B. Hayes, Russell, 1,420.

Sixth District: Democratic — John C. Watts, Nicholasville, incumbent, 36,349; Joe Arnold Versailles, 18,818.

Seventh District: Democratic — Carl D. Perkins, Hindman, incumbent, 34,937; Ervin S. Pruitt, Pikeville, 1,368; George Glenn Hatcher, Prestonsburg, and Frankfort, 7,857; Ralph H. Sherman, Jeff, 757, and Ralph N. Walter, West Liberty, 7,226.

Eighth District: Democratic — James W. Culp, Covington, 1,937; Lyle L. Willis, Corbin, 3,546; W. D. Scalf, Barbourville, 5,672. Republican — Joseph Candy, Woodbine, 1,188; Eugene Siler, Williamsburg, incumbent.

Panels for Navy buildings in the Antarctic are made like sandwiches: inside aluminum for vapor barrier and fire protection plywood, spun glass for insulation and more plywood.

THE PARSON SAYS:

E. Hampton Barnette

To satisfy some of my reading customers in this column, I take my typewriter in hand and begin to say: I have been as busy this Summer as a pony tail in a wind storm on a hot road.

I have missed my column myself, for no one likes to read a column as much as the one that writes it, or does he? Though I have been writing so long, and for so many publications that they have become old pieces, and sometimes I feel like you do too when you say, "There is that Parson again, wonder what he is going to say now?"

We have just finished one of the best Vacation Bible Schools at First Methodist, Whitesburg. I have ever seen. The teachers did an artistic piece of work, and led the children to a fine expression of their art in Bible Study, hand work, play, and singing. Then too there was the annual picnic on Jim Marlowe's lawn that we all looked forward to. It is a sight to see the cold drinks he heaves up to thirsty children to say nothing of the sandwiches.

I just ate with the Garden Club. Mrs. French Hawk brought a beautiful bouquet of roses and sat them on the table where some of us better gardeners were eating.

During the illness and death of my father-in-law in Pennsylvania, and the absence of Lady Barnette, the people have been extremely nice to the wondering parson.

Sometimes I feel like Old Sidney, our old farm dog when I was a boy. Every morning he would start out, always going to the people who got up first, and there he would eat breakfast with them. He would then go to the late risers and get a bite there, and make the rounds among all the neighbors. All the neighbors knew Old Sidney, and loved to see him coming for bones. He got so fat he could hardly chase a rabbit.

I have only picked up about a pound, but I have been going out for breakfast, dinner, and supper. It is rather hard for people to get up early enough to give me breakfast. I am switching from Dr. Owen Pigman's to Judge Stephen Combs, Jr., tomorrow for breakfast. Then I can decide where I will eat permanently until Lady Barnette comes back at the end of the week.

We miss so much out of life by going it alone. There are no people like good neighbors. In time of sorrow they are always there to help. People should never lose that spark of kindness to each other, for they never know when they will be ranging around like Old Sidney, or the Parson for victuals.

First Methodist has had excellent congregations all summer up to this time, and we expect to continue to attend church until the katydids begin to sing, then, well then—Let us do like the fellow who has to take his pay check to his wife, go by the filling station and say with a good feeling of wealth, "fill'er up."

First Methodist is a lovely church with lovely people. The church and parsonage have both been freshly worked over and are in clean and lovely condition. We will start our big air condition fan next Sunday, and see if that will cool the parson down a bit.

Dock Franklin, from Sergeant, was extolling the beauty of the new church there. It is a thing of appointed beauty on the hill there, and will set as a sanctuary for people for years untold. I wish all the Methodist people up that way would strongly join in the services there.

The Methodist church is very strong in Leitch County, and is growing stronger all the time. In ten years from now it will be much stronger. Many friends

have been finding their communion and joy in the work of the Kingdom among us.

The doctrine of the Methodist church can be summed up in one word — LOVE. If we do not have that then we might as well have no church at all. Love is the richest and strongest quality of human life. We cannot choose our small circle of friends and neighbors and love them only if we are Christian.

I believe all who know me are well aware of the fact that I believe in LOVE among the denominations. I believe in Christian fellowship with all people. God never gave His church to any one group of people, for that would be unfair. We should believe in Christians being Christians and helping others to be Christians.

Those who assume that they are the only fruit on the Christian vine, are taking too much upon their poor weak spirits. Let all be humble and work for the good of our people wherever

they believe. If we are Christian in spirit that will be shown by our endless loving services with Christ to all peoples.

GEORGETOWN EXCEPTS RECORD ENROLLMENT

GEORGETOWN, Ky., June 21 — A record summer-school enrollment is in the offing at Georgetown College, according to Registrar J. Foley Snyder. Officials are expecting a heavy turnout of teachers.

"The minimum foundation program for Kentucky has encouraged teachers to pursue their studies further, because additional study directly affects the pay scale under the foundation program," college officials said.

The totals reported to date are 275 at Georgetown College with an anticipated eight more yet to register. There will likely be 35 or 40 in the college's extension held at Campbellsburg College, bringing total anticipated enrollment to 320.

WHITESBURG ROTARY CLUB

Next Meeting—Tuesday, June 28

Speaker—Albert
Subject—Optional
Absent, Myrel, Ray, Albert & Pearl.

Visitors—Bill Owen and A. F. Dawahare — Also Ted Howard of the Pikeville Club.

Bob had the program and gave us an interesting and informative talk on the work of the Extension Service in Letcher Co. We are inclined to take the work of Bob and his staff as a matter of course and overlook its importance to our people and what it means to us. It is an old grudge with us that the business people

do not encourage the farm program as much as we should. The more people on the plow line the fewer on the relief line. Thanks, Bob, for the program.

Glad to have Dave Fields as a member of our club. Coy did an excellent job of installing Dave. Installing probably isn't the right word but we like it, better than initiation.

Albert has the program next meeting. We feel sure he will have something good so try and be there.

Understand Bob has agreed to see to the printing of this bulletin. In the event you might have missed it there hasn't been any for a few weeks due to circumstances under our control, but we have been bribed into getting it out again. Will do practically anything to get out of having the program. Just to celebrate, how about a 100 percent meeting next Tuesday. Our attendance lately has been "porer" in the outfit."

BUSINESS INSTITUTE IS SCHEDULED AT UK

Plans have been completed and registrations are being accepted for the University of Kentucky's fourth annual College of Business Management and Control which will be held from July 23 to August 4. Dr. Frank D. Peterson, UK Vice President for Business Administration, announced this week.

The Institute is sponsored each summer by the UK College of Commerce and the Department of Business Management and Control, with the cooperation of the Southern Association of College and University Business Officers.

From the Lighter Side of The Reader's Digest

The cry of the Army Nurses who gave hypo injections in the hospital wards was "Botoms up!" One popular nurse's patients chipped in at Christmastime to buy her a present, which they tagged: "To the best rear gunner in the outfit."

MAYKING NEWS

Mr. and Mrs. Charles Adams received word from Oseola Air Force Base that their grandson Larry Lemaster had been electrocuted by high voltage wire while on duty. He suffered a 20 foot fall from the pole on which he was working. He is suffering from a 3rd degree burn and internal injuries and is critically ill and was transferred to Minneapolis, Minnesota for treatment.

His parents live at 56 Bichi Street, Newport, Kentucky. He is also the grandson of Mr. and Mrs. Virgil Lemaster of Haymond, Kentucky. Larry has been in service 21 months. He graduated from Newport High school in 1954 where he played football. We wish him a speedy recovery. He is twenty years old and an old child.

We had a nice day and the Adams generation won the trophy. Aunt Lydia Adams who is 87 years old carried it away.

Aunt Eliza Jane Adams got the trophy last year by being the oldest Adams. She is 93 years old and wasn't able to attend this year.

Charlie Lee Kincer from Pine Mt. Settlement school visited his parents over the weekend. Aunt Mat has been very sick and spent some time in the Whitesburg Memorial Hospital, but she is home now improved.

Mr. and Mrs. Charles Adams had a pleasant evening at the home of Mr. and Mrs. Harry Caudill Monday evening.

Mrs. Rose Craft and daughter Dallas June have returned to their home on Pine Creek. They visited recently her son, Ishmel, in Middletown, Ohio, where he has been living for several years.

James Henry Hall was surprised Friday night with a birthday party. Games were played and a delicious plate lunch and soft drinks were served. He received many nice gifts. Those present were: Rose Mary Holbrook, Phyllis Holbrook, Martha Adams, Joycecelene Kincer, Carlos Wagner, Gary Van Kincer, Larry Holbrook, Gyles Williams, Curtis Wampler, Phyllis Wampler, Donald Lee Wagner, Owen Pace, Jerry Pace, Ben Allen Craft, Dan Collier, Chester Adams. All enjoyed a very good time.

CARD OF THANKS

We want to thank our many friends for their kindness shown to us in the recent death of our loved one Margaret Jean Slone who passed away at her home in Dayton following a very short illness. We especially want to thank the ministers for their comforting words in our hour of sorrow. Rev. Dee Day, Sr., Rev. Ralph Wilder, Rev. George Hammonds, Rev. Elzy Kizer and Rev. Wilson. To our many friends and relatives who sent beautiful flowers, and food we are indeed grateful and to the Craft Funeral Home for their efficient service we are thankful. Though our hearts are heavy with sorrow we feel that the loss of Margaret was God's will and we feel that she is at rest and we hope to meet her in Heaven. She was a true Christian, a fine daughter and a loving wife and mother.

—Arthur and Maxine Sturgill, parents, Odell Slone, Husband.

A subscription to The Mountain Eagle will keep you informed of your county happenings the year 'round. Why not drop in when in town or better still fill out the subscription blank in this paper and mail it in. In the county, \$3.00; out of the county or state, \$4.00. The Eagle is a gift that your family will be grateful for throughout the year.

Aunt Becca Jones

Beautiful Summer Night

The moon goes slowly on its way. It lights the beautiful hills; Moon and stars are guiding lights in obedience to God's will. God made the sun to rule the day.

Moon and stars to rule the night. Through the ages the sun, moon and stars.

Have given beautiful light. All nature is so calm and still, all nature seems.

The beautiful trees and flowers, The moon and stars shining bright. Created by God's power.

Beautiful, peaceful summer night. Moon and stars obey God's Will. They shone at the beginning of time.

And they are shining still. All nature is so calm and still. And beautiful beyond compare.

The trees, the flowers, moon and stars. All prove God's mighty power. Beautiful, peaceful, summer night.

All nature, calm and still. Of all that God created. Only Man disobeyed his will.

I like to sit alone and look. At the beautiful starry sky. And know that God directs my path.

As the years go gliding by. Lord, keep me ever in the path. That you marked out for me: As you keep the sun, moon, and stars.

Lord, keep me close to Thee. —Aunt Rebecca.

Mr. and Mrs. Landon Blair of Ohio are visiting here this week.

News in the World of Religion

By W. W. Reid

The liberation of South Korea from "foreign domination" ten years ago gave a "tremendous impetus" to the education of women in that land, according to Miss Unsook Saw, dean of students at Ewha Woman's University, Seoul. "With the liberation has come the idea of democracy," she says, "and the principle of the dignity of human individuals, not only of men but of women as well. Even though it was originally a political affair, it has become a social and moral revolution, and has ushered in a period of renaissance for Korean womanhood. Emerging from a state of social bondage, the Korean woman has become a human being before she is a woman, a wife, a mother."

The Woman's Division of Christian Service, Board of Missions of the Methodist Church, is planning for the establishment of a hospital and a training center for nurses near Wonju, Korea. This is the center of a great industrial section, southeast of Seoul, where at the present time there is little or no medical service for hundreds of thousands of people. The Division hopes this year to begin the erection of a 120-bed hospital, and to recruit medical and nursing personnel for the project.

In a message to all Christians, the seven presidents of the World Council of Churches said in part: "We believe the churches, acknowledging the need of Christians themselves to repent, should say to the nations: Repent. Your conflicts must be resolved by reason, not by violence. Violence has now reached such a pitch that when once unleashed it is beyond human control; and unless wars can be made to cease all nations will perish." . . . We believe the churches should say to the nations that it is neither by words of anger, nor by insistence on rights, that settlements can be achieved, but by the spreading of justice, by combining to meet one another's needs, and by relying for our salvation upon the grace and mercy of God. . . . We believe that the churches should remind the nations, with a passion greater than ever before, that the whole world cries out for peace, that they are all members of one family, and that the God and Father of our Lord Jesus Christ is the Father of all."

"New Eyes For The Needy," is sponsored by the Short Hills (New Jersey) Junior Service League; the organization is endorsed by the National Society for the Prevention of Blindness and the Essex County (N. J.) Medical Society. Short Hills League members sort the glasses they receive through the mail from throughout the nation. Sun glasses, simple magnifiers, near-sighted and cataract lenses are distributed to charitable groups, hospitals, and clinics. Metal frames and gold and silver scrap are sent to a refinery to be melted down and sold. The money from the melted scrap is used to pay for a new prescription glasses. Sorting of the glasses is done in the homes of league members or in donated space. The organization then sends glasses, on request, through mission channels to various parts of the world.

JESSE STUART TO BE HOST

Kentucky's famous author and Lincoln Memorial University's most famous alumnus, Jesse Stuart, will be host at a picnic supper to honor Dr. Robert L. Kincaid when he is in Berea on Monday, July 2, to receive the Wilderness Road Award. The picnic is scheduled for 5:30 p.m. at Indian Ford Theater Picnic Grounds. More than 700 Lincoln Alumni and Friends have been invited.

Dr. Kincaid, President of Lincoln at Harrogate, Tennessee, was selected with two other editors to be honored by Berea College for distinguished leadership in religion and education for

—by Mrs. Cecil Webb—

Matthews-Owen Marriage Ceremony In Charleston, W. Va.

A marriage of interest to the many relatives in the county is that of Miss Sheridan Matthews, daughter of Mr. and Mrs. Charles Raymond Matthews of Charleston, West Virginia, and Lt. Thomas David Owen, Jr., son of Mr. and Mrs. Thomas David Owen, Sr., also of Charleston.

The wedding took place on Saturday, June 23rd at 7:30 o'clock in the evening at the Ruffner Memorial Presbyterian Church, Charleston, with the Rev. Paul A. Chesney, Pastor of the church officiating.

The church was decorated with pink and white gladioli, palms, ferns, and tapers in candelabra. Mr. Hugh Craig of Concord, North Carolina, organist and Mr. William Crumb, vocalist presented a program of wedding music.

The bride given in marriage by her father, wore an exquisite wedding gown of white tulle. The molded bodice was trimmed with brilliant sequins featuring an off the shoulder neckline and long tapering sleeves ending in points over the hands, the full skirt ended in a cathedral train. Her veil of pure silk illusion fell from a crown of seed pearls and sequins. She carried a cascade of white roses.

The bride given in marriage by her father, wore an exquisite wedding gown of white tulle. The molded bodice was trimmed with brilliant sequins featuring an off the shoulder neckline and long tapering sleeves ending in points over the hands, the full skirt ended in a cathedral train. Her veil of pure silk illusion fell from a crown of seed pearls and sequins. She carried a cascade of white roses.

Miss Charlotte Matthews, sister of the bride, was Maid of Honor. Six friends of the couple served as bridesmaids. They wore gowns in pastel colors fashioned like that of the bride.

Mr. Thomas D. Owen, Sr., served his son as best man.

Following the ceremony a reception was held at the East Side Woman's Club.

The couple departed for a honeymoon in the Smokey Mountain during the evening. They will be at home in Ft. Benning, Georgia where the groom is stationed.

Among those from Whitesburg who attended were Mrs. Pollack Fields and sons, Jimmy, and Randy and Mrs. Owen Hitt and Mrs. Henry Taylor, Lexington.

GARDEN CLUB MEETS

A most enjoyable meeting of the Garden Club was held Monday evening at the home of Mr. and Mrs. Cossie Quillen. A picnic supper was enjoyed on the lawn with the Rev. E. Hampton Barnette giving the invocation.

Mrs. Archie Craft, chairman, introduced Mrs. Harry Caudill who gave a most informative and interesting program on native plants and shrubs indigenous to Letcher County. Mrs. Caudill showed about twenty specimens of trees, shrubs, and evergreens with all present joining in a Quiz relative to the specimens. Prize winners were Mrs. W. P. Nolan and Mrs. Bill Long. For the final number Mrs. Caudill discussed care and pruning of roses.

Present for the delightful occasion were Mr. and Mrs. Lewis Ammerman, Mr. and Mrs. Zenneth Bentley, Mr. and Mrs. Archie Caudill, Mr. and Mrs. Dave Craft, Mr. and Mrs. D. B. Franklin, Mrs. French Hawk, Mr. and Mrs. W. P. Nolan, V. D. Picklesimer, Dr. and Mrs. P. E. Slone, Mr. and Mrs. Bill Long, Rev. E. H. Barnette and Mr. and Mrs. Quillen.

Going Away Party

Mr. and Mrs. Ray Pigman and two children left recently for Bedford, Indiana where they will make their home. Prior to their leaving they were guests of honor at a picnic supper on the lawn at the home of Mr. and Mrs. Vernon Goff. Neighbors present for the farewell party included Mr. and Mrs. Pigman, Mr. and Mrs. F. P. Shulte, Mr. and Mrs. Kendall Boggs, Mr. and Mrs. Willie Mohn, Mr. and Mrs. Melvin Adams, Mr. and Mrs. David Fields, Mr. and Mrs. Gene Anderson, Mr. and Mrs. Earl Mohn and Mr. and Mrs. Goff. The Pigmans were presented with a lovely fryer and many good wishes for success and happiness in their new home.

Mrs. Ed L. Williams is visiting in Louisville this week as guest of Mr. and Mrs. Delmer DePuy.

Maggard-Smith Engagement Is Announced

Mr. and Mrs. Hubert Maggard of 269 Wall Street, Tiffin, Ohio, announce the engagement of their daughter Miss Leada Maggard, formerly of Whitesburg, Kentucky, to Mr. Donald Eugene Smith, son of Mrs. Evangeline Ferguson of Tiffin, Ohio, and Mr. Clyde V. Smith of 433 Columbus Avenue, Fostoria, Ohio. The wedding will take place in the First Baptist Church on Saturday at 9:00 a.m., July 28th in Tiffin, Ohio.

Trent-Smith Vows are Exchanged

The marriage of Miss Shirley Ann Trent, daughter of Mr. and Mrs. Clyde Trent of Whitesburg and Mr. Denny Ray Smith, son of Mr. and Mrs. Hovey Smith of Fairborn, Ohio, was solemnized at the home of the brides parents Sunday June 24 at 1:00 in the afternoon. The double ring ceremony was performed before the immediate families of the bride and groom by Rev. E. Hampton Barnette, pastor of the Methodist Church of Whitesburg.

Miss Ruthena Smith, sister of the groom and college classmate of the bride, served as maid of honor, and Herbert Smith, brother of the groom, served as best man.

The bride was attired in a baby blue, nylon, ballerina length dress. The bodice was of embroidered nylon over taffeta, the skirt was fashioned of taffeta with a tulle over skirt. She carried a white Bible.

The maid of honor wore a pink street length dress of embroidered nylon over taffeta. After a brief honeymoon in Ohio the couple will make their home in Fairborn, Ohio, where the groom is now employed.
